CHURCH OF THE HOLY TRINITY, PHILADELPHIA
MONDAY, MAY 6, 1946, 5 P. M.

The One Hundred Sixty-second Annual Convention of the Protestant Episcopal Church in the Diocese of Pennsylvania assembled at the Church of The Holy Trinity, Philadelphia, on Monday, May 6, 1946, at 5 P. M., in accordance with the Resolution of the last Convention.

The Bishop of the Diocese called the Convention to order and opened the Session with prayer.

A Quorum being present, the Rev. Charles H. Long was duly elected Secretary and the Rev. Dr. John R. Huggins appointed Assistant Secretary of the Convention.

The Rev. William Roulston McKean presented the REPORT OF THE COMMITTEE ON THE DISPATCH OF BUSINESS which was adopted as follows:

Your Committee presents herewith its suggested program for the dispatch of business during the Convention.

In order to expedite the order of business, your Committee suggests that all Reports be made by Title where feasible, and as an effort is to be made to transact the work of Convention in one full day, that discussion be curtailed as far as possible.

Should the Business of the Convention be not completed at 5:30 P. M. on Tuesday, May 7, 1946, a Recess shall be taken at that hour until 7:45 P. M. Should further time be required, Convention shall meet again on Wednesday, May 8, 1946, at 9:30 A. M.

The Rev. Albert O. Judd presented the REPORT OF THE COMMITTEE ON ARRANGEMENTS which was adopted.

The Secretary read the Canon of Courtesy, as follows:

Clergymen canonically resident in this Diocese but not entitled to vote in the Convention, Clergymen of other Dioceses of this Church, Candidates for Holy Orders in this Church, Wardens of Missions other than those entitled to send Deputies, and all persons holding any office or trust under the Convention, including the Lay Members of

the Standing Committee, the Officers of the Executive Council and the Executive Officer of the Philadelphia Protestant Episcopal Mission, though not members, shall be admitted to seats and have a voice in the Convention, but not the right to vote.

The Secretary reported as follows:

That during the past year he has fulfilled his duties as prescribed by the Constitution and Canons as far as possible.

That under date of March 6, 1946, he sent out the Calls and other Documents for the Annual Convention.

That Parochial Reports were mailed December 28, 1945, and that on February 1st, when these reports were due only 37 of the 216 due had been received. The Secretary would again stress the importance of making full returns on the Annual Report blank since these figures are used in making the Report of the Diocese to the General Convention.

That boxes for the Registration of the Clerical and Lay Deputies have been placed in the vestibules of the Church and all Deputies should register at once.

That the following is the Unfinished Business from the Annual Convention of 1945:

1. Report of the Committee on the Seal of the Diocese.
2. Report of the Committee on Relation of Convention to the Diocese.

That on May 6, 1946, Parishes, Missions and Chapels of the Diocese entitled to Membership in this Convention had not qualified as follows:

The Rev. Dr. Francis C. Hartshorne offered the following Resolution, which was adopted:

RESOLVED, That the right of Representation in this Convention of those Parishes which have not sent Parochial Reports, or have not paid their Assessments, be declared forfeited; but that they be invited to present to the Committee on Claims of Laity to Seats any facts which seem to them to justify a restoration of such rights of Representation; and, that the said Committee be instructed to consider such facts and make appropriate recommendations to the Convention; and that meanwhile the Lay Representatives from said Parishes be invited to take their seats, but to refrain from participating in the proceedings until the Convention shall have restored the right of Representation of their Parishes.

RESOLVED, That this matter be referred to the Bishop's Board of Strategy; the said Board to study and re-evaluate the presently existing bounds of Convocations, and report their findings and recommendations to the next annual Convention.

The Rev. William B. Schmidgall offered the following Resolution, which was referred to Committee on Dispatch of Business:

BE IT RESOLVED at the Convention of the Diocese of Pennsylvania, meeting May 6, 1946.

On the basis of Christian principles we believe that equal job opportunity for every man without regard to his religious convictions or biological heritage is necessary for the assurance of a just and fair economic society.

We deplore discrimination against a man who makes application for employment and is refused solely on the basis that he is a member of a racial or religious minority. We recognize also that this matter which should especially concern professing Christians is determined by the fact that the fundamental liberties assured by the Constitution are based on the Christian convictions of our forefathers. When any of these liberties is withheld it is the privilege as well as the responsibility of all Christians to take such democratic measures as are available to rectify the situation.

In this objective of fair employment both our religious responsibility and morality demand that we begin with ourselves as Christian members of our society, examining our own employment policies and take steps to bring about equal job opportunity without discrimination on the basis of accident of birth or religious creed.

In the light of these fundamental considerations and of the situation as it exists in Philadelphia and the surrounding area we go on record in favor of such legislation as the Fair Employment Practices Act making it the law of the land.

The Rev. Dr. E. Felix Kloman offered the following Resolution, which was referred to the COMMITTEE ON DISPATCH OF BUSINESS.

BE IT RESOLVED, That this Convention of the Diocese of Pennsylvania authorizes the Bishop of the Diocese to appoint a full-time Director of the Department of Christian Social Relations after the completion of the survey authorized by the Diocese, and the acceptance of the survey report by the Bishop, the Finance Department and the Executive Council acting for the Diocesan Convention.

BE IT FURTHER RESOLVED, That an item of $8,000 be included in the Diocesan budget for the Department of Christian Social Relations.

The COMMITTEE ON INCORPORATION reported further and offered the following Resolutions, each of which, on Motion, was adopted:

The Committee on Incorporation will recommend for approval by the Convention the following amendments to the model form of Articles of Incorporation:

(1) Amend Article 7, Section 2, so as to provide that the Rector shall be "president of the corporation" as well as "ex-officio president of the Vestry."

The model Articles now provide that the Rector shall be ex-officio president of the Vestry. The Nonprofit Corporation Law requires that every nonprofit corporation shall have a president. Recently, the Department of State declined to record certain documents presented for that purpose by a parish because they were signed by the Rector

and neither the Articles nor the By-Laws designated him as president of the corporation. The change is recommended, therefore, in order to comply with the technical requirements of the Nonprofit Corporation Law.

(2) Amend Article 7, Section 5, line 11, by striking out the word "thirty" and inserting in lieu thereof the word "fourteen."

The model form of Articles now requires a lapse of thirty days between a meeting at which an amendment to the Articles is proposed and meeting at which final action thereon is taken. Several parishes have complained that this proves inconvenient in instances where the earlier meeting occurs in February in which event less than thirty days elapses where the successive meetings are a calendar month apart. The Committee recommends, therefore, that the waiting period be reduced to fourteen days.

(3) Amend Article 9, Section 2, so that the restriction set forth therein applies to "any real property of the corporation held for use for religious worship, or for a rectory, parish house or school."

As this section now reads, the restriction applies to "the church edifice, rectory or parish house." The change is recommended in order to bring this phraseology in line with the related provisions of Canon XII, Section II. The existing variation has caused confusion.

(4) Strike out Article 10, Section 1, in its entirety and substitute in lieu thereof the following:

"No amendment to these Articles shall be effective unless approved by such authorities of the Protestant Episcopal Church in the Diocese of Pennsylvania as are required by the Canons of the Diocese."

Experience during the past year indicates the advisability of this amendment. It is the opinion of the Committee that it is unnecessary and unwise to incorporate in the Articles a repetition of the procedure for amendment provided by the Nonprofit Corporation Law which itself may be changed from time to time. The Committee recommends this change in the belief that the purpose of the Canons is better served by the proposed amendment, which will call attention to counsel and to the Court that an amendment to any existing charter must have the prior approval of such Diocesan authorities as are required by the Canons.

The COMMITTEE ON CONSTITUTION AND CANONS further reported and offered the following Resolution, which on Motion, was adopted:

If the Chancellor advises that they do, recipient shall give to the Bishop, within thirty days after the end of each calendar year, an accounting showing how the property has been used, dispensed, or invested during the year. All property heretofore received and presently held, to which this canon is applicable, shall be reported to the Bishop within thirty days after the adoption of this canon."

The Rev. Dr. Shreiner of the Field Department informed the Convention that the Diocese of Pennsylvania would be asked to taken an increase in its proportionate share for 1947. The Diocese had accepted $155,000.00 for 1946 and if we accept the proposed figure, the Diocese will be asked to give $175,000.00. Dr. Shreiner proposed that the Convention accept 50% of the increase. The Rev. J. G. Armstrong then moved that the Delegates to the Diocesan Convention express themselves at this time as to their willingness to accept at least a figure of $175,000.00 for the General Church as our share of the General Church's work for 1947.

After much discussion as to whether the National Council could ask this increase until the budget had been approved by the General Convention, the following Resolution, presented by Mr. E. Osborne Coates, was adopted:

RESOLVED, That it is the sense of this Convention that the Diocese of Pennsylvania will make every effort to accept its full proportionate share for the work of the General Church for 1947 when such share is determined by the General Convention.

The Resolution as amended was on motion adopted.

Let Us Pray

Let us commend to Almighty God the souls of His servants:

Almighty God, who hast given us the comforting assurance that Thou art present in every place to hear the prayers of such as love Thee, and to protect those for whom we pray; We commit Thy servants to Thy favor and care, that they may dwell with Thee in Thy glory, and that we may ever be faithful to their memory here on earth, and be reunited in communion and fellowship in the life that is to come; through Jesus Christ our Lord. Amen.

In the Name of God the Father Almighty who created them.
In the Name of Jesus Christ who redeemed them.
In the Name of the Holy Ghost who sanctified them.

May the souls of His servants rest in peace, and light perpetual shine upon them. Amen.

We are very happy that Bishop Remington accepted his election as Suffragan Bishop and that he began his work with us in October. He has been of untold help to me. Both he and Mrs. Remington have added much to the life of our diocese.

The Committee on Program and Church Extension of the Germantown Convocation has issued a list of twelve principles which they feel should be the basis of our missionary work in this diocese. I commend them to your careful consideration. I heartily agree with the Committee that the combined efforts of the clergy, laymen and women are required to establish and maintain high standards; that our mission stations demand our ablest men who should be well paid and capable of developing lay leadership, that the quality of our missions is more important than the quantity. It is better to have a few strong missions, which command respect and support, than to have more missions than can be properly manned. Weak missions do actual harm. The Committee goes on to say, "It takes courage to pioneer and it takes equal courage to accept change." What has been said of conditions in England would apply in a lesser degree to this diocese. "One of the tasks to which we must set our hands in these days is to get rid of a good deal of machinery which is no longer necessary for the real business of the Church and often makes it appear to be occupied with an endless round of trivial activities. Closely bound up with this is the question of buildings inherited from the past. What many of us are engaged in defending is not Holy Church, but a manifestation of the social life of the nineteenth century in the form of buildings which assault the eye and obstinately refuse to fall down."

This report of the Germantown Convocation is a most hopeful sign. It is an indication that the diocese is moving in the direction of a more constructive missionary policy. To implement their suggestions will require not only our best thought but the expenditure of the necessary funds. It is a waste of money to erect a church building unless we are prepared to see to it that the congregation there assembled has adequate leadership. The leadership is so much more important than the building. It is axiom of good business—"Nothing matters but the men." This is certainly true of church work.

There are very definite and very great obstacles in the way of our putting into practice the very fine suggestions made by the Germantown Committee. One is the fact that the diocese, as such, has very little power. We are a democratic church and are, therefore, dependent on the willingness of various congregations to think not primarily of their own interests, but to base their action on the broad premises of what is the best course to pursue to secure the advancement of our Lord's kingdom. There is one thing that we all can do *now*—namely, work out the best plan possible of acquainting our people with the principles enunciated by the Germantown Committee and getting their reactions. Obviously we cannot do it in a hurried one-day Convention. It will have to be done in convocational meetings, in vestry meetings, men's club meetings, auxiliary meetings and wherever two or three are gathered together who are sincerely interested in the welfare of the church in this diocese.

The following missions and chapels were admitted parishes during Convention of 1945:

St. Simon the Cyrenian, 22nd and Reed Streets, Philadelphia.
Holy Sacrament, Highland Park.
St. James, Prospect Park.
St. Gabriel, Roosevelt Boulevard at Front Street, Philadelphia.
St. Michael and All Angels, 43rd and Wallace Streets, Philadelphia.

In 1945 there were fifteen parishes, twelve missions and four chapels in which there were no confirmations. In several instances this sad state of affairs seems to have been due to the fact that there was no clergyman in charge. In a healthy parish or mission the absence of a minister spurs every member of the congregation to renewed effort and the results are evident. I want to commend the vestry of St. Paul, Elkins Park, for their action in this respect. I say to any vacant parish or mission that I shall be most happy to arrange for a clergyman to instruct the candidates for confirmation if the congregation will secure the candidates.

Reconstruction and Advance Fund

The contribution of this diocese to the Reconstruction and Advance Fund is familiar to most of you. We started out to raise $500,000.00, which is 1/10th of the original goal of the National Church of $5,000,000.00. To date we have raised $541,000.00. I am grateful for the leadership given by Mr. William Fulton Kurtz, General Chairman, and Mr. Thomas B. K. Ringe, Associate Chairman of the Special Gifts Committee, and their able and devoted colleagues. The Rev. Charles W. Shreiner, D.D., was Chairman of the Parish Offering and, as usual, did a painstaking and thorough job. The Special Gifts Committee had a goal of $400,000.00. The goal of the Parish Offering was set at $100,000.00. To date the Parish Offering amounts to $141,000.00. This is a tribute not only to the hard working clergy of the diocese but also to the generous lay people. The Diocese of Pennsylvania has received more than its share of credit for its work for the Reconstruction and Advance Fund. Comparatively speaking, several dioceses have gone far ahead of us. Our greatest contribution laid in the fact that we started early and in that way gave an impetus to many other dioceses. When the national goal was changed from $5,000,000.00 to $8,800,000.00 we did not change our goal, but I am happy that our original goal was oversubscribed.

I would not be so concerned about the Reconstruction and Advance Fund if I thought that it had to do only with buildings. God's Church is built of obedient hearts, not wood and stone. The fundamental purpose of the Reconstruction and Advance Fund is to strengthen the life of the Church all over the world. It is the challenge to our generation. Our gifts show our brethren in distant places that we are not only interested in helping them to rebuild the Church there, but that we realize that the hope of our own future lies in making the Church more vital here at home.

Last year our Convention directed that a committee of five be appointed to consider the administrative needs of the diocese. Immediately after the Convention, I endeavored to form such a committee but was unsuccessful. Recently I appointed such a committee and they will make a preliminary report to this Convention. There is no doubt about the desirability of a thorough and competent study of the administrative needs of the diocese. We should then seek the best means of establishing and financing such improvements as are needed. I hope that this work may be carried forward to a successful conclusion this year. It is a task which calls for the thinking of the ablest men in this diocese.

Endowment of the Episcopate

The Committee on the Endowment of the Episcopate had made all of its plans and perfected its organization for intensive work to begin last February. They generously set aside all of their plans and turned over their organization to the Reconstruction and Advance Fund Committee. This Committee now plans to resume its activity. I hope they will receive the generous support of the diocese. They have set a modest goal of $1,500,000.00. This will probably have to be secured largely through bequests. I am confident that members of the diocese will remember the diocese in their wills if the matter is brought properly to their attention. If we had an adequate Endowment for the Episcopate, we could more readily solve the administrative problems of the diocese. I am grateful for the work that Mr. Clarence M. Brown, Mr. E. Lowber Stokes and their associates have done on this Committee.

Again I want to express my thanks to the Directors of The Church Foundation and especially to its Executive Vice President, Dr. Hartshorne, for the splendid work that they are doing for the diocese. The aggregate market value of the securities held by The Church Foundation is now about $2,000,000. This represents 112 separate funds. 76 of these funds are less than $10,000, 57 of the 76 are under $5,000 and 23 of this 57 are under $1,000. Businessmen will know the difficulty and expense involved in getting small Trust Funds handled commercially today. The Church Foundation is able to handle this great number of small funds at a low cost because of its Consolidated Fund. Incidentally, the Consolidated Fund has today a market value of about $1,537,000, a gain of about $134,000 over the cost price of its securities. The market has been favorable for such a gain, but nevertheless it could not have been done without the close attention and good judgment of the Directors of The Church Foundation. Again, I want to point out to the diocese that a great deal of the cost of operating The Church Foundation has to do with the work involved in its acting as the Trustee of our church property. The handling of the funds is a very vital part of The Church Foundation, but due to the work which the Directors of The Church Foundation give voluntarily and without cost to the diocese, this part of its operation is not expensive. The major part of the time and effort of the Executive Vice President is consumed in taking care of the property to which The Church Foundation holds title for the diocese. If these two quite separate functions of The Church Foundation were clearly recognized by the members of the diocese, I am sure that more small parishes would place their Trust Funds with The Church Foundation.

General Convention

We face a tremendous task this year in acting as host to the 55th General Convention. As you know, we agreed to entertain this Convention as an emergency measure. The Convention was scheduled to go to San Francisco. Due to troop movements, the Diocese of California had to withdraw its invitation. I am sure that the Deputies to the Convention will realize that we are entertaining them under difficulties, but we must do our best to enable the Convention to do its work effectively. Many leaders in the Church have said that this Convention will probably be one of the most important in the history of our Church. Vital issues affecting the life of the Church will come up for decision, and the Deputies will have to work at top speed to accomplish the task within the narrow limits of the ten days allotted. Over and above accomodations at hotels, an additional one thousand rooms are needed. I hope that every member of the diocese will render whatever assistance he or she can to help to perform our duty as host to this General Convention. Dr. Thomas S. Gates has undertaken the work as General Chairman and he has an able group of assistants.

The Church Pension Fund proposes to ask the approval of the General Convention for an increase of the premium assessment from 7½% to 10%, effective January 1, 1947. Our Diocesan Committee may have something to say on this subject tomorrow. I desire to call attention to two facts.

1. In 1933, with invested assets of a little under twenty-nine millions, the interest amounted to about one and a half millions. In 1945 with invested assets of about thirty-eight millions, the interest was one million, one hundred and sixty thousand. In other words a capital fund about nine millions larger brought in an income about two hundred seventy-five thousand dollars *smaller.*

2. In 1944 the Church Pension Fund changed its assumed interest rate from 3½% to 3¼%. This necessitated a transfer from surplus to reserve of $1,997,075.

Fortunately, the Fund was in a position to do this. However, this did not take care of the deficiency which would continue to occur. Obviously, premiums of 7½% bearing 3¼% interest would not produce a sufficient sum to take care of pensions based on a higher interest return. It is worth noting that this slight change in interest assumption caused a deficiency of $89,155 in meeting the liabilities assumed for the group of clergy ordained in *1945 alone.* This deficiency would rapidly increase with each succeeding year, and even more rapidly if the assumed interest return is reduced to 2¾% as the Fund proposes on the basis of the expert advice which they have received. I am sure that we all will agree that the one indispensable element in pensions is certainty. The proposal of the Fund to increase the premium assessment from 7½% to 10% seems to have met with general approval throughout the Church.

Although the Philadelphia Divinity School is not technically an institution of the diocese, it is to a great extent in reality a diocesan institution. The training of men and women for full-time service in the Church is one of paramount interest to everyone who has the good of the Church at heart. We have every reason to be encouraged by the fact that you, the lay people of this diocese, have been loyally contributing to the support of the Divinity School, even though its student body is very small. Tomorrow, we shall have the privilege of hearing Dr. Frank D. Gifford, the newly elected Dean. Many people think that Dr. Gifford faces an impossible task in making our Divinity School a place where our bishops will be eager to send men and women to be trained as church leaders. A Committee of the Trustees, consisting of Bishop Sterrett as Chairman, Drs. Snowden, Collins, Huggins and Gates unanimously nominated Dr. Gifford for the Deanship and he was unanimously elected by the entire Board of Trustees. This means that we are pledged to make our Divinity School second to none.

APPENDIX B

Convention Address Suffragan Bishop

I began my work as Suffragan Bishop on October 15, but was not instituted until November 1. I submit herewith my official acts covering the period from October 15 to December 31 as incorporated in the Bishop's report.

In my first address to you, may I begin by expressing my appreciation for the cordial reception which Mrs. Remington and myself have been accorded both personally and in all our relations throughout the Diocese. It has been for us the joy of coming home to the city of my birth, education, and the beginnings of a ministry in which Mrs. Remington has shared all these years.

It is inevitable that in the march of time and events many changes have taken place, such as have made the Diocese a very different one from that which I left in 1911 when I began my trek westward. The population has more than doubled; it has been spreading out and many of the strong centers of Church work find their former supporters living in the suburbs or seeking new homes in the many towns which radiate out over intricate highways which I have had to learn anew after having travelled the wide open spaces for so long.

First Impressions

My first impressions of the Diocese are of its potential strength and of its great missionary opportunities. Surely "God has set before us an open door and no man shall shut it for we have a little strength and have not denied His Name." That Door will not be entered until we grasp the significance of our task. The new highways require new methods for spreading the faith. The Good News may be carried to the ends of the earth now by means and facilities never known to our forebears. We must adapt our techniques to changing methods. Preaching sermons from a rather remote pulpit now must be supplemented by radio broadcasts, visual education, and above all by small study and prayer groups where the laity can have a chance to discuss their problems and strengthen their spiritual and Church loyalties. We must set up clinics for the cure of souls. In nearly every family there is some deep need for moral or spiritual adjustment. If you can help that family to get on the right road, you will not have to scold people about church attendance. What our changing world order needs is more *changed* lives; ones which glow with inward light, reflecting the glory of God in the face of Jesus Christ. The best evangelism is a radiant Christ-filled personality which makes it easier for others to believe in God.

A United Diocese

We have great varieties of Churchmanship in this Diocese. Each one may have his own little kite in the heavens, but we all can feel the same tug on the strings. Any differences which may arise can be settled happily if we will put Christ at the head of every conference table and make ourselves instruments of His will, rather than depositories of what each man regards as the oracles of God. Humanity can no longer endure a man-made world, neither can the Catholic Church survive attempts to superimpose ecclesiastical dictatorships over any group which differs in non essentials but holds firmly to a faith which has persisted throughout the ages. The center for Christian

unity is neither a period in Church history, nor a catalogue of moral virtues, nor an identity of forms of worship, but Christ Himself and the Father's Will for His world.

The Missionary Call

Another way in which our unity will be found is in our loyalty to the great Missionary call of the Church. A long line of devoted men and women have gone forth from this Diocese to carry the Good News to every place where our Church is at work. We must never let the Torch fall to the ground. We cannot separate the labors of those who have served in the foreign or domestic fields from those who have stayed at home and have given of their time and money to speed them on the way.

Also, we must never lose sight of the opportunities for service in the home field. In the short time I have been here, I have discovered many new and growing areas where our Church should be planted and immediately begin a vigorous work. Under the wise leadership of our Bishop, a Board of Strategy has been created to survey the trends of population and take advantage of rapidly developing opportunities. The Deans of Convocations are on the alert. They should be freed from too much concentration on *static* work so that we may reinvigorate the whole Church with dynamic enterprise.

Lay Leadership

One thing which amazes me is the willingness of laymen and women to give so generously both of time and money. With such support evidenced this year by our leadership in Reconstruction and Advance, the clergy should take heart and go forward to *Reconversion* and *Evangelism*. A democratic Church will breed strong and devoted lay leadership. We have it here in Pennsylvania. We must harness this power and convert it with the dynamo of preaching and teaching. By a Christ-filled, inspired, and Missionary clergy, we can help an uncertain and somewhat defeated world to rise up and build and send new light o'er threshholds dark with fear.

Christian World Order

Besides my work in assisting with confirmations and other Episcopal acts, the Bishop asked me to take over the Chairmanship of two rather important Committees—ones which require much time and attention.

The Committee on Relation of Institutions to the Convention was discharged last May and a new Committee appointed. The Bishop asked me to be the new Chairman in place of the Rev. Jarden Guenther. I am submitting a report by title which will cover the period from October until the present date.

The other Committee on "Christian World Order" will not have any definite report beyond that which I am making now in this address. The former Chairman, Mr. Louis Washburn, rendered an efficient and self-sacrificing service in organizing discussion groups in various areas throughout the Diocese. His help has been invaluable to me in the reorganization of the Committee. We had five addresses given at the Church Institute covering the current organization and work of the United Nations. My feeling in the whole matter is that we should undertake a continuing educational effort since there are important developments which arise every week. It is not enough to declare our faith in the United Nations or a Charter of Human Rights. We must keep on exercising whatever pressure we can bring to bear from an enlightened Christian Church on the decisions which effect the welfare of the whole world. Just previous to the meeting of this Convention, our Educational Division held a school for the training of leaders willing to hold meetings and discussion groups throughout the Diocese. At the Summer School to be held at Beaver College, July 7 to 12,

I am expecting to give a course on this subject which I hope will stimulate interest on the part of our young people and Church leaders. I cannot conceive of anything of greater importance than the exercise of Christian influence upon the greatest question of our day, "Can we win a victory for Peace out of the chaos of world conditions now prevailing?"

We all would like to see a world organization in which the rights of individuals are regarded as members of God's great family however, more than 90% of the inhabitants of this Earth have no such ideals. Our main problem, therefore, is to maintain such contacts as will give Christian standards an open forum for the presentation of their ideals of freedom and a Charter of Human Rights.

In our considerations, we have not believed that the United Nations Organization is a perfect instrument, but we have come to the conclusion that it is the best bridge that we have to carry us over a deep chasm into a land which at least is more promising than any country we have now. The United States Constitution was not a perfect instrument when it was adopted, neither did it have the adherance of many of the States. It was just a bridge, but it has carried us along to the best society and the finest standard of living that the world has known.

Church House and Bishop's Chapel

The duties of a Suffragan Bishop in this Diocese are exacting, but challenging; difficult, but adventurous; official in some respects, but definitely friendly and personal. No Bishop in the Church of God is either infallible or indispensable. To my mind, his chief duty is to be a Father in God to all the clergy and to every person who comes to him for advice or counsel. The Church House is a very busy place and so are the parishes. What we need more than all else is to work without haste. We must pray not for easier tasks, but for powers equal to the tasks God lays upon us.

I have found the staff at Church House friendly and eager to help in every way. It has a spirit which is becoming contagious. From Monday through Friday of every week prayers and intercessions are offered in the Bishop's Chapel. I should like to see the clergy dropping in more regularly for a quiet five minutes in which we lift up our problems to the level of God's purpose and express our common needs in definite petitions.

The Bishop's Chapel every Monday at 4:00 p.m. sees from one to ten or so persons being presented by their Rectors for confirmation. I believe this service should be invested with all the dignity and spiritual power which it deserves. Many of our Rectors have discovered this excellent plan to reinforce the regular occasions on which official confirmation has been scheduled. It is a great relief to your Bishops and may be made an effective instrument in winning adults into full membership in this Church. Candidates should be thoroughly instructed both before and after the service.

My brethren, the Kingdom of God is not going to come by observation. Indolence must be thrown aside with all besetting sins of prejudice, intolerance, and the unholy habit of thinking that our way is God's way and the only way.

Be valiant for the faith, put on the whole armour of God and stand. We wrestle as never before, not against flesh and blood, but against those inner foes which make us sometimes a crown of thorns, rather than Christ's outstretched arms of compassion. God still lives, peace may be attained, the world awaits the release of moral and spiritual force to match the discoveries of a fearful group of scientists. We are those upon whom God has placed the burdens of His world. Give them back to the Burden Bearer, fulfil the law of Christ, and we will march on to Victory.

APPENDIX G

Report of the Treasurer of the Diocese of Pennsylvania, 1945

The report of the Treasurer of the Diocese of Pennsylvania for the year 1945, audited by Charles S. Rockey and Company, certified public accountants, is submitted herewith.

Once again clergy and laity have put their shoulders to the wheel and have enabled us to pay all our bills and to meet our commitment to the National Council of $150,508. The tabulation on pages 2 to 8 show that the accepted proportionate share was over-subscribed approximately 10 per cent. This is truly a great accomplishment.

Our thanks go to the parishes and missions, the Woman's Auxiliary and all other Diocesan organizations for the hard work which has made this record possible.

The surplus in the 1945 Missionary Fund has been transferred to Suspense Account where it is held for the good of the missionary effort. Some of it has already been paid as an additional stipend to missionaries with dependents, part has been earmarked for a new and important missionary project in the Diocese, and as the year 1946 passes it will be used for similar work. It is a marvelous help to our bishops to be able to draw on such a fund when need arises.

A summary of payments on accepted proportionate share follows: Two parishes paid nothing, of which one is now out of existence; thirteen paid in part, of which four have since paid in full; one hundred fifty-nine gave in excess of their accepted amount; six to whom no proportionate share had been assigned made a payment.

Our thanks go to the financial staff in the Treasurer's Office who have worked faithfully and efficiently during the past year.

FREDERICK R. DRAYTON,
Treasurer.

JOSHUA ASH PEARSON,
Assistant Treasurer.

Report of the Departments of the Executive Council

DEPARTMENT OF CHRISTIAN EDUCATION

DIOCESE OF PENNSYLVANIA
ANNUAL REPORT FOR 1945

The occasion of an annual report affords the opportunity for a backward glance over the year that has just passed. Such a view reveals, as the statistics submitted below will suggest, that the work of the Department went forward quietly in 1945. Perhaps the most notable event of the year was the reaction throughout the Church from the meeting of the House of Bishops in February, when Bishop Whittemore of Western Michigan reminded us that our religious education in the Church School is not all it might be. The Bishop's report served to call the attention of the Church to a situation which is widespread, and it is encouraging to know that serious study is being devoted to this problem that is of vital concern to the Church.

Our Department has discussed this problem both in Committee and in General meeting, and is busily engaged in exploring the field to discover what contribution it can make to the increasing effectiveness of the Church's educational enterprise. We confidently expect in 1946 to see significant developments along this line, in the work both of the Diocesan Department and the same Department of the National Council.

In the fall of 1945, Miss Elizabeth P. Frazier submitted her resignation as Administrative Secretary of the Department, to be effective as of March 1, 1946, or sooner if her successor is appointed. The Department reluctantly and regretfully accepted Miss Frazier's resignation, recognizing that in her thirteen years of service she has proved herself invaluable in every phase of Christian Education as it concerns our Diocese. Grateful for all that she has done, we wish her

Godspeed in her work for the Church in all the years to come.

On the recommendation of the Department, Bishop Hart has appointed Miss Beryl M. Newman, Executive Secretary. Miss Newman has been associated with the Department a number of years as Office Secretary, and Assistant Secretary, and is well qualified to assume this new responsibility. The Department bespeaks the encouragement and helpfulness of the Diocese to Miss Newman as she enters upon this important task of leadership in Christian Education.

As always, the Chairman cannot suffer an annual report to go out over his name without recording the gratitude of the Department for all that Miss Frazier and Miss Newman have done throughout the year. This must also include Miss Dorothy E. Kohl, who has continued to serve most helpfully in the work of the Church School by Mail. Nor can we neglect to mention the services of the many volunteer workers whose efforts constitute an invaluable contribution to our work. We are especially grateful to Miss Margaret Earle who has given two half days a week in the office in Room 30 in the Church House. Other volunteers, to the number of one hundred and forty-five, have given generously of their time, and to them also we express our many thanks.

Committee on Church Schools,
Mrs. George C. Bland, Chairman

The 75th Annual Church School Institute was held in the Christian Association Building on October 1st for clergy, superintendents, and teachers. There were over 350 present. The Rev. Charles E. Tuke gave us a glimpse into the past on this 75th anniversary. The address of the evening was given by the Rev. Charles W. F. Smith on the Word of God and Christian Education.

The Mission Study material, used with the raising of the Lenten Offering, was supplemented by the Committee and publicized.

A thorough discussion of the resolution criticizing Church School Courses passed at the meeting of the House of Bishops and the report signed by 100 chaplains on the lack of knowledge found in men in the service, led to plans for tackling the problem in this Diocese.

Committee of Special Offerings,
The Rev. W. Roulston McKean, Chairman

The Lenten Offering, raised under the supervision of this Committee, amounted to $53,842.84, an increase of $4,882.74 over the previous year. The Offering was presented at a great outdoor service on the grounds of the Episcopal Academy on May 20th. Bishop Hart received the offering and Bishop Roberts of Shanghai preached the sermon. The attendance was about 3000. In the procession, with crosses and banners, were 950 children from fifty-one Junior Choirs.

The Advent Offering from the children of the Diocese, amounting to $1,179.60, was for the new Mission, St. Philip's-in-the-Field, Oreland.

Mrs. Lorin Blodget continued as Christmas Box Secretary for this Department and the Department of Christian Social Relations of the W. A., coordinating the Christmas giving to Institutions and Missions made by 58 Parishes. A last minute request for 400 gifts for children in Manila by Bishop Binsted was handled and close to 1000 gifts sent.

The Birthday Thank Offering amounted to $82.50.

Committee on Vacation Church Schools,
Miss Eleanor A. Deane, Chairman

So far as the Committee has knowledge, 24 schools were held during the summer months, six of which were aided by the Department, and eight were Community Schools. In spite of the many problems in finding adequate leadership, a sufficient number of leaders was secured for the schools which applied. The Diocese as a whole does not yet see the great value in this means of Christian Education.

Church School-by-Mail,.
The Rev. John C. Knewstub, Chairman, succeeding The Rev. Peter C. Van der Hiel, Jr., in October; Miss Dorothy E. Kohl, Director

During 1945, 332 children were on the roll. Seventy-eight succeeded in attending the nearest Sunday School, 9 to Episcopal schools and 54 to other schools; some moved away, and some out-grew the Church School-by-Mail, making the total at the end of the year 220. Of these, there are 165 in the Chester Convocation, 32 in the Germantown Convocation, 20

in the Norristown Convocation and 3 miscellaneous. These children live in the outlying districts of 18 of our rural parishes and missions. 67% responded by returning the question sheet; 5% by letter; 20% through visits; no response from 8%. Baptisms numbered eight. The worker made 162 visits. A Lenten Offering of $67.24 was received from the pupils. During the year the work was evaluated and approved by the Executive Council to continue under the Department of Christian Education as a corporate Diocesan undertaking, and an integral part of the Diocesan Missionary and educational program.

Committee on Weekday Religious Education,
Miss Helen C. Washburn, Chairman

The Diocesan Committee on Weekday Religious Education was appointed five years ago through the vision and inspiration of Miss Helen C. Washburn who served continuously as its dynamic chairman until her death on January 29, 1946. The primary purpose of this Committee is to study different types of weekday religious classes being conducted in this Diocese, more especially those presented on released time from th Public Schools. There are three types of weekday church schools, the parochial, the semi-community, and the community. Of these the parochial was selected first for study.

The three years study and demonstration of this type school, conducted by the Committee at St. Stephen's Church, Clifton Heights, was completed in June. A detailed report of the results was presented in pamphlet form in the summer. The Committee has been gratified at the favorable reception which the report has received, both in the Diocese and elsewhere. The National Division of Christian Education purchased over two hundred copies for distribution to all diocesan departments of Christian education in the country, and many requests for it have been received from churches and interested persons.

Immediately following the completion of the report on the parochial type school, the Committee proceeded with the study of schools of the community type. This work began in October in two schools and will expand as new schools open, until at least six such projects are studied. With the tremendous increase of interest being evidenced in this field, it is believed that many such schools will be established by next September.

It is planned that concurrently with this study there shall be made a survey of after-school and Saturday ventures in religious education, as well as a survey of what the public shcools themselves are endeavoring to do "to make available to children through education the resources of religion as an important factor in the democratic way of life and in the development of personal and social integrity." An outstanding sub-committee of clergy and educators has been appointed to visit schools in connection with this survey, and the public school authorities have promised all possible cooperation for such visits.

Youth Commission,
The Rev. Louis E. Fifer, III, Chairman

The Annual Diocesan Youth Service was held in St. Stephen's Church, Philadelphia, on February 25th. The Rev. Percy L. Urban was the preacher and the choirs came from St. Barnabas, Germantown, Holy Apostles and the Mediator, and Emmanuel Church, Holmesburg.

The Commission was reorganized in the fall, the membership being made up entirely of adults. This commission made a telephone survey of Youth work in the Diocese which revealed a lack of lay advisors and a number of parishes reporting no youth organization. The Youth Convention was moved up to January 5th so will be reported in the 1946 annual report.

Committee on Schools of Christian Education,
The Rev. Herbert W. Jones, Th.M., Chairman, succeeding Miss Margaret Earle in June

The Winter Conference was held on the five Tuesdays beginning January 9th. Registration was 172 from 87 parishes.

The School of Christian Education was held on six Tuesdays beginning October 30th, with a registration of 162 from 53 parishes.

The noticeable drop in registration for classes on Teaching Techniques, which started two years ago, continued.

Committee on Summer Conferences,
The Rev. Peter C. Van der Hiel, Jr., Chairman

The seventh Diocesan Summer Conference was held at Ursinus College, Collegeville. The Rev. Alfred M. Smith was

Chaplain and the Rev. Peter C. Van der Hiel, Director. The total enrollment was 171 from 60 parishes. This includes 32 members of the faculty and staff. The number of those under twenty years was 85.

Committee on Adult Education,
The Rev. J. Wesley Twelves, Chairman

The Clergy Conference on Preparation for marriage and parenthood at the Church School Institute was planned by this Committee. About 50 attended.

With cooperation of the Christian World Order Committee, the Department of Christian Social Relations of the W. A. and the Diocese, and Forward in Service held a successful Mass Meeting at the Church of the Holy Trinity to hear the Rev. O. Fred Nolde report on the United Nations Conference in San Francisco and to urge its ratification by Congress.

The Committee made preparation for an experiment in the training of children under four to be conducted in 1946.

Committee on a Christian World Order,
Bishop Remington, Chairman, succeeding Bishop Hart in November; Mr. Louis M. Washburn, Vice-Chairman

This Committee helped parishes and diocesan groups plan programs. It publicized and made available literature in this field. In January the Vice-Chairman attended the National Study Conference in Cleveland, under the Federal Council of Churches, which endorsed the Dumbarton Oaks Proposals with suggestions for their improvement. In the months before the United Nations Conference it distributed the prayer authorized by Bishop Hart and promoted a study and letter writing campaign to Congress. It cooperated with the Adult Education Committee and other groups in the Mass Meeting on June 27th to hear a report on the San Francisco Conference, by the Rev. O. F. Nolde, a consultant of the Committee, who was a consultant of the U. S. delegation at the United Nations Conference.

In November the Committee was reorganized and removed from the Department to become an independent committee. The Department will continue to stock its literature and help with stenographic work.

Reference Committee,
The Rev. Charles F. Ehly, Chairman

On request by Bishop Hart to the Department, this Committee is making a study of Confirmation which will be completed in 1946. To discover existing practices in the Diocese, a questionnaire was sent out which covered three areas in the preparation for Confirmation. (1) Knowledge required. (2) Church Practice required. (3) Techniques used in teaching Confirmation classes. Materials used in our Church and other churches have been examined, and a start was made in a study of the service.

FREDERICK W. BLATZ,
Chairman.

DEPARTMENT OF CHRISTIAN SOCIAL RELATIONS

ANNUAL REPORT FOR 1945-1946

In a year when the Diocese most needed effective declarations, information, and action concerned with the general field of Christian Social Relations, this Department has attempted to discharge its function faithfully. Its work has been considerably undeveloped through the lack of full-time personnel.

The Rev. E. Felix Kloman, Chairman, has directed the work assisted by Mr. William O. Gilbert, Vice-Chairman, and the Rev. Leonard B. Rasmusson, Secretary. Special sub-committees also were appointed for Interracial Relations, Legislation, Economic Democracy, Diocesan Social Service, Councils and Federations, Publications, Cooperating Agencies, and Parish Conferences.

The year's budget for 1946 was approved by the Executive Council:

Office Expenses	$150.00
Monthly News Sheet	200.00
Promotion and Education	200.00
Philadelphia Federation of Churches	150.00
State Federation of Churches	100.00
Central Committee, Diocese of Pennsylvania	50.00
Federation Council of Churches	100.00
World Council of Churches	50.00
Total	$1,000.00

Although this total expenditure is an increase over the preceding year, it was far short of the amount necessary to

conduct the plans for action during the year. Much of the Department's program was curtailed for lack of funds for a full-time Director.

The year's program, in brief, called for office space with files in the Church House, and setting up there an Information Center. Various projects were designed including two "clinics" in Interracial Relations and Economic Democracy, Parish conferences planned within each convocation, and a monthly news bulletin. The Department was aware of its responsibilities and planned to act, but the major part of the work depended on personnel not forthcoming.

In spite of a considerable back-log of activity the Department nevertheless met to discuss and make plans for a reasonable solution of the social problems which are of cardinal importance to the Christian community we represent. During the past year the Department has made definite contributions in the following:

1. Office space has been acquired for the work of the Department and a permanent file inaugurated. Miss Thelma Austin was the volunteer office Secretary from September 1945 until February 1946. The Department is greatly indebted to her for her untiring work.
2. A guide to current Social Agencies in Philadelphia entitled "Where to Turn" was procured and sent to all clergy in the Diocese.
3. A Committee on Returning Servicemen was formed, at the suggestion of the Bishop.
4. An investigation and discussion was conducted in the matter of a strike which concerned the citizens of Philadelphia. A recommendation for action was made to the Bishop.
5. The Interracial Committee sent a communication to the clergy of the Diocese concerning the proper observance of Interracial Sunday (February 10, 1946) with service suggestions.
6. Action to coordinate the work of social agencies represented within the Diocese was begun.
7. An article was prepared and printed in the February issue of the *Church News.*
8. The Department entertained the Rev. J. Brooke Mosely, Director of the Department of Social Relations, Diocese of

Washington. He spoke and gave an excellent picture of a metropolitan Diocese at work in this field.

Perhaps by reason of repetition the Department has become monotonous in exhibiting and declaring the too obvious need for a full-time Director for Christian Social Relations in this Diocese. Nevertheless we have the right and the duty never to give up our claim upon the membership of this Docese. The need for the effective functioning of the Department cannot be put off. Already the delay has been too long. Therefore, we conclude our report with the following resolution which begs the attention of every thorough-going member of the Diocese:

BE IT RESOLVED that the Diocese of Pennsylvania in Convention assembled on Tuesday, May 7, 1946, authorizes the Department of Christian Social Relations of the Diocese to have a competent survey made of the needs of the Diocese in the field of Christian Social Relations, at a cost not to exceed $1,000.00, the report to be received and considered by the Convention in May 1947.

E. FELIX KLOMAN,
Chairman.

REPORT OF THE DEPARTMENT OF MISSIONS

Members of the Department of Missions in making their annual report, call the attention of our people generally to the tremendous amount of good work done by our Deans in furthering the missionary program of the Diocese. Their work is accomplished only by the expenditure of a great deal of time and energy and self-sacrifice. Their help to the Bishop is incalculable. They receive no compensation for their work.

We wish to record also our recognition of the valuable contribution made through this Department by the Rev. Dr. Hartshorne whose thorough-going attention to detail and painstaking reports keep the Department in sound working relations with the Executive Council and the Church Foundation.

We know that the Diocese will feel a sense of proper satisfaction in the progress made in new missions established recently at Broomall and Oreland. Also in the reduction of mortgage indebtedness; in the decreased appropriations for

money for our Missions, and in Missions which have assumed parish status. This has been accomplished under the direction of our Deans, for the most part by the hard work of the clergy in charge of missionary work.

One of the most encouraging achievements during the year has been the raising of $10,000 by men in the Chester Convocation for new church buildings. This money-raising enterprise they plan to continue.

Our Departmental Policy and Planning Committee continues to make excellent suggestions for making this Department more effective in church extension plans. We have had definitely set before us and adopted these objectives:

1. Encouragement of Missions to decrease and eventually wipe out mortgage indebtedness.
2. Encouragment of Missions to become self-supporting parishes.
3. Readiness to establish missionary work in new developments as soon as opportunities open.
4. Consideration of the Negro situation in the Philadelphia Convocations.

Here are enlightening quotations from statements made by our Deans during the year with reference to this last mentioned problem:

"Large numbers of this racial group are coming into the city from the South and elsewhere. There must be over 100,000 Negroes in South Philadelphia. It is evident that something additional might be done to make the message of the Church known to hundreds who are unshepherded now. I feel that in the future years the main work of the Church in this area will be amongst the colored people."

(DEAN BONYNGE)

"In West Philadelphia we have the problem of the Negro immigration. It is essentially an economic problem. As they move in, the white people move out, leaving a number of churches either to die or be taken over by the Diocese for Negro work. This is a difficult situation, for all parishes are corporations and have the entire disposal of their corporate property. In many instances these parishes alienate the property from the church by sale to a religious body not ours. It is my hope to have the Diocese work with the parishes affected and persuade them for a small amount to keep the property in the church and to use it for Negro work."—(DEAN SNOWDEN)

"The Negro situation in North Philadelphia is a great missionary opportunity for the Diocese of Pennsylvania. There are 100,000 Negroes in the North Philadelphia Convocation. We will be judged by whether we meet this situation in our own city more than by whether we aid peoples in foreign lands. In two and half square miles of the Columbia Avenue area there are 60,000 people, mostly colored, living under appalling conditions. The responsibility for the extension of the Church's work amongst Negroes rests in a large measure upon the Negro clergy and Negro congregations."—(DEAN SHRYOCK)

We are glad to report that the Committee on Strategy of the Executive Council is giving serious consideration to this whole matter for the purpose of making constructive suggestions for the future good of the churches and people in these areas, and we hope that all parishes concerned, Negro and white, will give their cooperation to proposals for meeting a problem which must be solved wisely.

CHARLES E. TUKE,
Chairman.

REPORT OF THE DEPARTMENT OF PROPERTY

The Department cooperated actively with the Committee of the Diocese on the payment and reduction of various mortgages, particularly in the negotiations on behalf of the House of Prayer, Branchtown. Acting with the Church Foundation and the Chancellor, changes were made in the form of deed used for conveyances of Mission properties. In conjunction with the Dean of the North Philadelphia Convocation, a survey of the Northeast was made looking toward the possible relocation of certain Parishes and Missions to meet the trend in the neighborhood.

The Department also participated in discussions of plans for St. James Church, The Church of the Advocate and the new Mission of St. Philips, Oreland. Alterations and repairs were supervised for St. Elisabeth's, St. Barnabas, Kensington, and the Church House.

RONALD J. MCCARTHY,
Chairman.

FIELD DEPARTMENT

The Reconstruction and Advance Fund has been the chief missionary project throughout the Church in the past year. In the Diocese of Pennsylvania we have made great strides under Bishop Hart and his Executive Committee, as well as the Laymen's Committee of one hundred and twenty men.

Bishop Hart called a meeting of the Clergy on April 11th to explain the plan. The laymen met at the call of the Chairman, Mr. William Fulton Kurtz, early in May. The whole program was presented on Convocational lines. Convocational Chairmen were appointed and they, in turn, appointed District and Parish Chairmen.

The sum that we hoped to raise was $500,000, $400,000 from Special Gifts and $100,000 from the Parishes. Many of the Rectors felt that the Parish Offering should not be taken until early in 1946. We believe, however, that the enthusiasm this project has inspired will spell ultimate success and that Bishop Hart and his Committee may present to the Church, when General Convention meets in Philadelphia in September, a sum considerably in excess of the amount we started out to raise.

The Parishes and Missions, at the Fall Meeting of the Convocations, accepted a "Proportionate Share" for 1946 considerably in excess of that for the previous year. The Bishop and Executive Council are now able to face each year knowing that the work they propose to do is underwritten. The overpayments that have been made for 1945, that is the excess over the "Proportionate Share," have exceeded our fondest hopes.

Bishop Hart is giving us wise and sane leadership. We have the utmost confidence in him and in his plans, and we believe as the years go by, our Church will go forward, meeting its opportunities and challenge, and thanking God that He has given us such leaders.

CHARLES W. SHREINER,
Chairman.

REPORT OF THE DEPARTMENT OF FINANCE

The Department of Finance met bi-monthly except during the summer of 1945 and gave constant thought and study to the many financial problems confronting the Diocese throughout the year.

The Committee on Financial Safeguards, a sub-committee of the Department of Finance, with Mr. Edward B. Clay as Chairman, has met several times during the year, and their report will be found elsewhere in the *Journal.*

The Department notes with pleasure that all bills of the Diocese, and its Expectation to the National Church for 1945, have been paid infull.

The Department of Finance at its meeting held February 9, 1945, allocated accumulated unexpended balances from 1943 to 1944 towards reducing and clearing mortgages as follows:

Ascension Mission, Rhawnhurst	$5,500.00
Redeemer Mission, Springfield	900.00
St. Ambrose Mission	1,350.00
St. Giles Mission, Stonehurst	3,000.00
St. Mary of the Annunciation	1,500.00
Trinity, Collingdale	1,100.00
St. Barnabas, Germantown	1,000.00
St. George, Richmond	11,000.00
House of Prayer	15,000.00
Zion	1,500.00

JOSHUA ASH PEARSON,
Chairman.

REPORT OF COMMITTEE ON FINANCIAL SAFEGUARDS

There are still a number of parishes and missions who have not replied to the questionnaire and letters regarding the revised Canon XVI. Again the Committee requests that Accounting Wardens fill out and return the questionnaire.

To those Accounting Wardens of Parishes and Missions who have cooperated in this matter, the Committee desires to express its most sincere thanks.

The Committee reports that so far no feasible plan for investment of Church funds in a central agency (other than trust funds now placed with the Church Foundation) has been worked out.

Respectfully submitted,

EDWARD B. CLAY,
Chairman.

REPORT OF THE DEPARTMENT OF PUBLICITY

The Department of Publicity during the past year has undergone further changes in its organization, but it now hopes and feels that it is stabilized in this regard for some time to come. The Rev. Albert O. Judd is still Editor-in-Chief and the Rev. Henry S. Paynter was appointed business manager beginning last fall. Mrs. Oliver J. Hart is editing the page of the *Church News* devoted to the activities of the Woman's Auxiliary.

More attention and space is being given to parish and diocesan news and these columns can be further improved with the cooperation of representatives in all parishes. The subscriptions to the *News* have increased and there would be a greater increase with only a little more cooperation by our parishes.

An editorial board has recently been appointed to assist the staff and formulate policies. A conference with the Religious Editors of the *Bulletin, Inquirer,* and *Record* was inaugurated last fall. It is felt that it was an important meeting and one that will prove mutually beneficial to both the newspapers and the Diocese. A friendly and cordial spirit of cooperation was manifested by all present. Departmental conferences have been held periodically when matters of policy had to be decided.

We are also happy to report that the *Church News* is securing increased publicity in the National Church papers and some of our articles have been copied by them with our permission, and they also have asked permission to copy some of our covers.

The General Convention will meet here in September. The Department of Publicity has charge not only of the news and publicity of the diocese, but will also take care of the publicity and printing for the diocese in preparation for the meeting of the General Convention itself. In addition to our regular

issues of the *Church News* we plan to issue about June a special Convention number which we hope will include some articles by outstanding churchmen of interest to all members of the General Convention.

Respectfully submitted,

R. MARSHALL TRUITT,
Chairman.

REPORT OF THE COMMISSION ON RECRUITING FOR THE MINISTRY

To the Executive Council:

The Commission on Recruiting for the Ministry assisted with grants six Seminary students in 1945, a smaller number than for several years, there being fewer applications received for assistance. But to one student, a former Army Chaplain with wife and three minor children, a grant of $400 a year was made, instead of the usual one of $200.

A Conference on the Ministry for High School boys was held at the Church of the Epiphany, Sherwood, Saturday, May 26th, at which there were present 26 students and nine Clergymen. It was one of the most profitable Conferences of the kind which your Commission has arranged.

With the release of most of the young men who were in the Service, we anticipate a larger number of applications for assistance in 1946-7. Young men of sterling character, a real Christian experience, sound learning and a willingness to give themselves unreservedly to Christ and His Church are greatly needed at this time, and the Clergy in charge of parishes and missions have an unparalleled opportunity to interest such men in studying for Holy Orders.

WM. NEWMAN PARKER,
Chairman.

THE CONVOCATION OF CHESTER

Steady progress has been made in the reduction of mortgages. Two mortgages remain, Trinity, Collingdale, which will be cleared off in June, 1946; and St. Giles, Stonehurst, which is finally to be liquidated with the Easter Offering of 1946. With the elimination of these two mortgages, all indebtedness on missionary property in the Convocation of Chester will have been paid.

Quite a number of changes have taken place in the Convocation during the past year. The Rev. Aaron Manderbach was appointed to St. Faith's after having had five fruitful years at Trinity, Collingdale. Bishop Hart appointed the Rev. John McGarvey to Trinity. The Rev. George McKinley, who has had charge of St. Mark's, Honey Brook, St. Mary's, Warwick and St. John's, Pequea, has been appointed to Ascension, Parkesburg, and will continue in charge of St. John's, Pequea.

The Rector and Vestry of St. David's, Radnor, requested the Bishop to take over the care of their Chapel in Newtown Square. St. Alban's has become a Diocesan Mission and is in charge of the Rev. Frederick F. Valentine, Jr., who is also in charge of St. Peter's, Broomall.

Ascension, West Chester, is in charge of the Rev. Louis W. Johnson, who is also the Vicar of St. Mary's, Chester. The Rev. Matthew Davis, who has been in charge of Ascension, West Chester, for several years, was transferred to St. Monica's, West Philadelphia.

The congregation of St. John's, Concord, has asked that they have a priest in charge of their old parish, one of the oldest in the Diocese. Quite an influx of people from the city has moved out into Delaware County and there is manifest a new life and growth which will make it possible for St. John's to have their own man. They are planning a building program as soon as building materials are available again.

The experiment with St. Peter's, Broomall, being built with funds given by the Parishes and Missions of the Convocation, received a great impetus when the offering was presented to Bishop Hart in June at St. George's Church, Ardmore. The offering amounted to about $10,000. We hope a similar amount will be given each year, to which will be added, after 1946,

$2,500, the annual offering of the Woman's Auxiliary to the Convocation of Chester.

Building costs have increased so rapidly that the Executive Committee of the Convocation was compelled to revise its plans and allocate three years of the offerings of the Parishes and Missions to the building project at Broomall. We thought we could build a very useful and practical unit for about $21,000. We now find that the cost will be $33,000. We hope this plan will get under way with the breaking of ground and the start of building early in the spring.

Such a plan as St. Peter's and other contemplated plans can only be made possible through the offering of 10% of the "Proportionate Share" of the Parishes and Missions. There are still several Rectors who do not think this a wise plan, and therefore they are not co-operating. Perhaps as time goes on, they will see that the only way our Church can grow and take care of newly built communities is through some such plan.

St. Alban's has had, through the years, a building plan in mind and funds have been contributed for that purpose. A new site of five acres has been purchased from the Pennsylvania Hospital, in the heart of Newtown Square. The present building will be taken down and erected on the new site just as soon as possible. An architect has been engaged and the Building Committee plans to go ahead on the construction of a Parish House just as soon as materials become available.

The Executive Committee of the Convocation has held eight meetings throughout the year, planning for the growth and development of the Church in the Convocation, as well as for the care of the Missions committed to their charge. They have been faithful indeed, and as their leader, I am indeed grateful to them.

CHARLES W. SHREINER,
Dean.

WOMAN'S AUXILIARY TO
THE CONVOCATION OF CHESTER

Our year began with the fall meeting on October 18th, at which we presented the Church at Work in this Convocation through reports of several committees. The report of Mrs. Tyng on her experiences in China as our "Overseas" Work was outstanding. Our Annual Report, as you know, has been printed, compiled and distributed and I am following up with a letter written by me and sent to every Branch President.

My real purpose is to make the several branches feel that they are not only members of the Woman's Auxiliary in their Parishes and the Convocation of Chester, but members of the Woman's Auxiliary to the National Council. Many of the smaller and more remote branches do not have this feeling of unity with the whole.

To date I have visited one auxiliary at a regular meeting, met some of the officers of others and am to meet with another branch March 27th. The Executive Board and myself feel that a closer acquaintance with officers of the individual branches would give us such a knowledge of personnel that we could, on occasion, select proper persons for key positions. That knowledge I do not have now.

It is the purpose of the Executive Board and myself to revamp our Constitution and By-Laws, bringing them up to date. Such work is long overdue, as our present Constitution was written in 1915.

There is so much to learn that I hope you will offer some suggestions from time to time, in order that the Woman's Auxiliary of the Convocation of Chester may bear its full responsibility in the program of the Church.

Emily H. Gawthrop,
President.

CONVOCATION OF NORRISTOWN

The missionary spirit has been much to the fore in the life of the Convocation due to the interest developed in the new work at St. Philip-in-the-Field, near Oreland. This fast growing neighborhood has been thoroughly visited and foundations have been laid for the organization of a Mission. The sale of the former Mission at Glenside provided funds with which was purchased a strategic location for the new Mission. It is hoped that the first unit of the Church buildings will soon be erected.

There has been a steady growth at Advent, Hatboro, and this Mission will soon be in a position to plan for Parish status. All indebtedness on the buildings has been paid and the Church property put into perfect physical condition. Both Vicar and people deserve real praise for their devotion to the work of the Church.

Holy Trinity, Lansdale, has gone along with such splendid gains that within a year or two they will seek to become a Parish. They are relinquishing all aid from the Diocese for the year 1946.

The Mission of the Epiphany at Royersford continues to carry on with a small band of faithful communicants. The Lay Reader, who has done such fine service for so many years, has resigned and the part-time work of a Priest has been engaged to supply under the direction of the Rector at Phoenixville.

The work at St. Anne's, Willow Grove, has gone on during the past year under the direction of the new Vicar, the Rev. Paul A. Phipps. At Trinity, Gulph Mills, the Vicar has resigned and entered the field of teaching. This work has had to be carried on for a time with Lay Readers in charge, but will soon have a Priest assigned to minister here.

James M. Niblo,
Dean.

CONVOCATION OF NORTH PHILADELPHIA

The only change among the clergy of the missions of the Convocation in 1945 was the appointment of the Rev. R. Morton Smith as Vicar of St. Ambrose, succeeding the Rev. John P. McGarvey. The Sunday School at St. Martin's Chapel near the Allen Homes has been under the direction of Mr. Parker, who has now been ordained and transferred to West Chester. He has been succeeded by Mr. Cecil Cowan, a student at the Divinity School.

During the year, the Rev. William Thompson resigned as Rector of St. Paul's, Aramingo, and the Rev. Louis E. Fifer has accepted an election as Rector of the Parish.

St. Bartholomew's has now become completely self-supporting, but will continue its status as a mission indefinitely.

The Convocation was saddened by the deaths of two of the clergy who, while not canonically in the Convocation at the time, were very close to it; the Rev. T. Leslie Gossling, former Rector of the Church of the Advocate, and the Rev. Delber W. Clark, Chaplain at the Christian Settlement.

The meetings of Convocation during 1945 were held at the Church of the Good Shepherd, Kensington, St. Augustine's, and the Church of the Resurrection.

Dean.

CONVOCATION OF SOUTH PHILADELPHIA

Steady work was carried on in every section of the Convocation during the year 1945—notable for the fact that it marked the termination of World War number two. The customary phenomena, apparent at the end of such a conflict, became evident; for the transition from war to peace is rarely effected without serious dislocation in the social life of a people who have lived through the temporary and inflated conditions of the period of struggle.

Higher wages open up new vistas and opportunities for the satisfaction of material wants. The desire for new environment often becomes more pronounced than it has been. Population commences to move. Districts change. Old ties are broken. And so with other settled institutions, the Church feels the impact of new forces, which often lead to the removal of families to new centers.

This process, seemingly inevitable, is painful for the Church worker; but it must be faced. One thing is true and self-evident. On the Church's ability to adapt itself to new conditions, will depend its vitality and effectiveness in the future. With God's help, and wise leadership, we believe She will meet the challenge of the days to come with courage and success.

It is too early to say just how far South Philadelphia will be ultimately affected. As things stand, there is abundant work to be done. We pray that, led by the Spirit of God, She may continue to exercise her beneficent influence for the extension of the Kingdom in the southern end of the city.

As a whole, the missionaries furnish encouraging reports of work done in their several neighborhoods. Rev. John R. Logan, Jr., for Holy Spirit Mission, points out that in addition to meeting its quota, his people had accepted an added assessment, whereby the amount received from the Department of Missions for the clerical salary had been reduced.

The Rev. Gustav Meckling ministered with acceptance at the Chapel of the Transfiguration and to the Hard of Hearing Group in the Parish of the Holy Trinity. In December, his work amongst the Hard of Hearing was transferred to St. Stephen's, 10th and Chestnut Streets.

The Convocation wishes to place on record a sense of its deep obligations and thanks to the Rector and Vestry of Holy Trinity Parish for providing room and general facilities for the Hard of Hearing for so many years.

At St. Elisabeth's, Rev. Francis Roseboro maintained his work among the young people through the agency of the "Teen Age" Canteen. At. St. Mary's, Broad and South Streets, the year was marked by the resignation and retirement from the active ministry of the Rev. Thomas E. Della Cioppa. Temporary provision was made for the continuance of the services there.

The Woman's Aid has been very helpful. The year was marked by the resignation of Mrs. Frank Bonynge who had held the office of President for eight years. Mrs. Bonynge had proved herself a competent and wise leader. Her departure was naturally the signal for unanimous expression of regret and of thanks for the work she had carefully and energetically carried out.

Mrs. Margaret Renshaw Butler was elected to the Presidency. It is felt that Mrs. Butler will provide the stimulus and leadership which the position calls for.

The Dean wishes to thank all the women for much helpful activity, and to express the hope that, with the Blessing of God, they will continue to render enduring and beneficial service to God and His Church.

FRANK BONYNGE,
Dean.

WOMAN'S AID TO THE CONVOCATION OF SOUTH PHILADELPHIA

At the January meeting of the Woman's Aid at St. Mark's Church, Mrs. Robert P. Frazier gave a most interesting talk on the "Indians of North America." At noon the meditations were conducted by the Rev. William Dunphy. The regular business meeting was held in the afternoon with the Rev. Thomas Meryweather, Secretary of the War Commission, as guest speaker.

We accepted Mrs. Bonynge's resignation as President and Mrs. Roak's as Secretary with the deepest regret.

Mrs. Bonynge's spiritual leadership and unfailing interest in the missionary work of the Convocation have been the inspiration which has carried us forward through her years as President.

A regular business meeting was held in May at St. Luke's and the Epiphany. The following officers were elected: President, Mrs. N. Renshaw Butler; Vice-President, Mrs. Frederick W. Blatz; Secretary, Mrs. Vernon Matthews; Treasurer, Mrs. George D. Craig.

The third meeting of the year was held at the Church of the Holy Trinity in December. After the regular business meeting and reports we had the pleasure of welcoming Bishop and Mrs. Remington.

During the year we have helped Elizabeth Price Martin League, Needlework Guild, Episcopal Day for the Blind, St. John's Settlement, War Commission, Daily Vacation Bible Schools—Phillips Brooks, St. Elisabeth's and Transfiguration Missions, Episcopal Hospital, Christmas Treats for Children—Holy Spirit Mission, St. Mary's Church and Transfiguration.

At the December meeting Mrs. Bonynge reported the amount received from the Special Appeal for 1945, $400.00, for Transfiguration Mission.

MARGARET R. BUTLER,
President.

CONVOCATION OF WEST PHILADELPHIA

This year we were able to secure a rectory for the Vicar of St. Monica's Mission. While it is not adjacent to the Mission, it seemed to the Vicar and the Executive Committee to be a wise purchase. The property is located at 133 North 57th Street. We were bound by the O. P. A. rules and will not be permitted to move into the house till sometime in June. Now we have rectories for both our Missions.

The experiment launched over a year ago of combining the work of St. Titus and St. Cyprian under the guidance of Father Ziadie has proven to be a good move. The problem of the Convocation remains that of assessing the move of peoples in this area. The Diocesan Department of Missions has appointed a committee to study this situation as it applies to all sections of the city. Possibly in the near future a definite policy will be announced.

For the sympathetic and encouraging assistance of the Woman's Aid, I am deeply grateful. Specially am I indebted to Mrs. Heckel, the retiring President, for a splendid spirit among the women of the Convocation. It is with high hopes that I extend cordial welcome to Mrs. Lamb, the new President of the Woman's Aid.

C. E. Snowden,
Dean.

WOMAN'S AID TO THE CONVOCATION OF WEST PHILADELPHIA

During the year 1945, the Woman's Aid held three stated meetings which were well attended, a Mission Study morning and a Quiet Day.

The Rev. Mr. Robert Frazier gave a very interesting talk on American Indian Life for our educational program. The Quiet Day, held at St. Andrew's Church, was led by the Rev. Philip Fifer.

Our scholarship fund was completed and is now at work helping a student at the Philadelphia Divinity School. This was the chief project for 1945. Besides our annual contribution to the Vacation Church School at St. Monica's, there was a donation towards the Episcopal Burial Fund at Philadelphia General Hospital. The children of the Mission Sunday Schools were remembered at Christmas with toys and candy. All obligations were met.

At the Annual Meeting in January, the following officers were elected: President, Mrs. George Lamb; Vice-President, Mrs. James Campbell; Secretary, Mrs. Stephen Hamill; Treasurer, Miss Ethel Pancoast.

At this time I would like to thank the officers, chairmen of committees and every loyal member of the Woman's Aid for her continued interest and cooperation. We hope and pray that we have gone Forward in Service.

Helen Oram Heckel,
Chairman.

CONVOCATION OF GERMANTOWN

The year just closed has seen steady progress marking the work of the several Missions in the Convocation. It is a pleasure to report that for the fourth consecutive year one of our Missions, this time St. Gabriel's, has assumed Parish status. We wish them continued growth and success.

Trinity Church, Buckingham, suffered a great loss in the death of the Rev. T. Leslie Gossling.

A thorough study is being made of the situation at Ascension Mission, Rhawnhurst, in order to determine our future policy there.

St. Paul's Chapel, Edgely, which has been closed for nearly two years, was re-opened on December 1st under the leadership of a Lay Reader, Mr. Horace C. Prevost.

It is most encouraging to see the way the various Parishes and Missions of the Convocation are increasing their givings in their Proportionate Shares for the furtherance of the Church's program.

The Woman's Aid to the Convocation has continued to manifest much interest in, and to raise considerable money for, our work. The Dean desires to express his grateful thanks to them and to the clergy and laity alike for their loyal and enthusiastic support.

We look forward to 1946 as a year when we hope to accomplish much in the Master's service.

N. Herbert Caley,
Dean.

APPENDIX I

Report of the Registrar

The canonical duties of the Registrar have been duly performed through the year, and the statistical records of the Diocese, viz: Episcopal Acts within the Diocese; list of Clergymen canonically resident; and of all Churches, Chapels, or Mission Stations of the Diocese, with a description of their location and property, appear in their proper places in the Journal.

Numerous requests for certificates of Holy Baptism and of Marriages and Burials from the registers of closed parishes, and information of historical and biographical character have been complied with insofar as the records were available.

The following official books and papers were deposited with the Registrar and placed in the Church House vault:

St. James, West Marlborough: Parish Register, Minutes of Vestry, and Account Book.

St. Michael's, Germantown: Minutes of Vestry and documentary papers.

War Commission of the Diocese: Official books, papers, and published matter of the Commission; including Minutes, Reports and Budgets, Correspondence, Financial Campaigns and Contributions, Scrap Book, and Card Index of Service men and women. For the purposes of historic research a classified index of these holdings was transmitted to the Historical Society of Pennsylvania, and to the Church Historical Society.

There were also transferred to the Church Historical Society several volumes of general and parochial Church history, and a number of spare Diocesan Journals from the years 1789 to 1850.

Respectfully submitted,

H. W. Gernand,
Registrar.

APPENDIX J

Report of the Church Foundation

REPORT OF THE CHURCH FOUNDATION

CONVENTION OF 1946

During the year 1945 the Board lost the services of two of its members who had been on it for many years. The late Roland S. Morris, for many years Chancellor of the Diocese, always took an active interest in the work of the Church Foundation and his advice on legal matters was always at the call of the Executive Vice-President, and his office took charge of any necessary legal actions, such as the foreclosure of mortgages, at a minimum of expense. The Board elected Robert T. McCracken, Esq., his successor as Chancellor, a member of the Board, and so has the advantage of his advice and legal services. Mr. Henry R. Robins, for many years President of the Commonwealth Title Co. and afterwards Chairman of its Board, and now retired, resigned from our Board because of impaired health. He had served as Assistant Treasurer and Secretary, and member of the Executive Committee and of the Committee on Trusts, in all of which his advice as a recognized authority in all matters of law affecting real estate was always to be obtained by the Executive Vice-President or other officers, and his answers to questions put to him were always characteristically final, the thing could, or could not be done, or should be done in another way. We are glad to say that he is still willing to give us his opinion on any matter on which we may desire it. In his place as member of the Board, and Assistant Secretary and Treasurer, and member of the Executive Committee and Committee on Trusts, there was elected Mr. William White, Jr., who had been on the Board before the war and resigned upon entering the Service, and we are happy to have him back with us in his old positions.

During 1945 the Church Foundation received its largest legacy, the residuary estate of the late Miss Laura Bell, amounting to over $268,000, which was willed to "The Church

Foundation, for such uses and purposes as the Bishop and the Directors may agree upon." Of course it is to be assumed that the purposes she had in mind were some part of the work of the Church in this Diocese. There was no direction to use only the income, but for the present at least, the policy of the Bishop and the Directors is to use only the income.

The late Bishop Taitt, in his will, provided a life estate for the benefit of his sister, with direction that upon her death the Church Foundation was to have the remainder, to be added to the existing "Bishop Tait Fund for Diocesan Missions," the income of which is expendable for that purpose by the Bishop and the Executive Council. This Fund is expected to amount to something over $60,000, and to be received shortly.

The late J. Hartley Merrick, after providing in his will for substantial bequests to St. Timothy's Church, Roxborough, and to the Memorial Hospital there, in both of which his family had always been interested, left the remainder of his estate, possibly some $100,000, to the Church Foundation, to be known as a fund in Memory of his father, J. Vaughan Merrick (who, his will states, was always interested in the Missionary work of the Diocese), the income to be used in such work at the discretion of the Directors of the Church Foundation.

These wills indicate that lawyers, in assisting benevolently-minded persons in drawing their wills, are advising them not to make large bequests for any specific Church enterprise because, in the passing of the years, such changes may take place that, if they were still in the flesh, they would not want their gift to be used for these purposes, but, instead, to specify the work of the Church in the Diocese in general, or some large department of it, at the discretion of appropriate officials. It has not seldom happened in the past that the purposes of testators have proved impracticable of accomplishment, sometimes at the start, more often after many years, necessitating appeals to Court which can only succeed if the purpose can be shown to be almost impossible. But the form used in Miss Bell's will, where the money is to be used at the discretion of the Bishop as well as of the Directors of the Church Foundation, is much preferred by the Directors to that in Mr. Merrick's will, where the income is to be appropriated at the dis-

cretion of the Directors. Making appropriations for Diocesan Missionary work is the proper function of those managing that work, and the Directors of the Church Foundation have no desire to have any management function in the affairs of the Diocese, for the Foundation was not set up for such purposes, but only to manage funds and to hold title to properties and to see that they are adequately insured.

In neither of the above wills are there any restrictions or directions as to how the funds shall be invested. This also is as it now should be. In the past, if a testator directed that investments by his trustee must be only such as are known as legal for trustees in this State the trustee was so restricted, and still is, in all such cases. And further than that, until 1935, it was the law that unless a testator expressly relieved his trustee from restriction to legals he was so restricted. This was the cause of very serious losses to trust estates throughout this region, because first mortgages were the only legal investments that returned a good income, and thus were very largely used by such trustees and the results were probably more disastrous than if there had been no restriction to legals. But in 1935 the Legislature enacted a law, amended in 1937, which provided that the managers of Charitable and Religious Non-Profit corporations were not to be restricted to Legals, unless the testator or donor definitely so restricted them, but could use their own judgment after careful investigation. This law released all but two of our funds (among our smallest) from restriction to legals, and made our Consolidated Investments Fund open to participation in by all the others, except one in which we are not permitted to invest in stocks. So it is no longer necessary to *specifically release* the Foundation from restriction to legal investments, but there is no harm in doing so and it would be precaution against a possible change in the Law back to old conditions.

THE CONSOLIDATED INVESTMENTS FUND

The Consolidated Investments Fund has had a substantial growth since our last report, due in part to the receipt of the Bell legacy and also through investment in units therein of money coming into the serveral funds through reduction in or the paying off of mortgages and the sale of the last of our holdings of foreclosed real estate. When legacies are paid over to us we often receive payment in kind, that is, in securities. After receiving the securities, if we think they are suitable for retention, we sell them for the particular fund to the Consolidated Fund in exchange for units therein; but if we decide not to keep them we sell them and buy units with the proceeds.

The market value of the securities shows a substantial increase over the cost of the same. However, we make no particular point of that because it is very likely that the day will come when the reverse will be true. We buy securities because of our belief that they may be expected to return a steady income over the years, and their fluctuations in market value are not of much concern to us. In fact, if market values go down, so will the price of units for those funds buying more of them, which will give them a better return than they can get now. We would not enjoy this lack of concern over market prices if funds deposited with us for investment were withdrawable, as is the case in many Diocesan Investment Trusts. Many of our recent investments were increases in amounts of securities purchased heretofore at lower prices, thus making the total cost reasonable. But there is a limit to this and if refundings and present high prices continue a reduction in percentage earnings is inevitable. However, the effect upon the funds holding units will be much less than if they held bonds paying 5% and had them replaced with others returning less than 3%. The Consolidated Fund to some extent tempers the wind to shorn lambs!

APPENDIX K

Report of the Commission on Rectors' Salaries and Pensions

The Commission has met regularly throughout the year, has carefully reviewed the applications of Parishes for grants, and in every way has endeavored to give full cooperation wherever the need existed. Several Aided Parishes have found it possible to carry on without further grants and four others have been able to do so on a reduced amount. It is the policy of this Commission to make a sufficient grant for the Canonical salary of a Rector only after all possible avenues of income in a given Parish have been exhausted.

Dr. Hartshorne, our able Vice-President, has continued to give careful oversight to the matter of Pensions. In this, as in all other duties of the Commission, the Clergy and Parishes of the Diocese have given helpful cooperation. The Commission realizes, after careful study of the reasons submitted by the Church Pension Fund, that it is absolutely necessary to increase the rate of assessment on Parishes for all Clergy Pensions, if adequate allowances for old age and disability are to be maintained.

The Executive Council, upon the recommendation of the Department of Missions, has made a grant of one hundred dollars for the year 1946 for each child under eighteen years of age in the family of a Vicar. Your Commission, following this helpful grant to Vicars in these days of higher costs, desire to do the same for Rectors of Aided Parishes having children under eighteen years of age. Therefore be it resolved

That Convention give consent to the granting of one hundred dollars for each child under eighteen years of age for the year 1946 in the family of the Rector of an Aided Parish.

The Commission feels confident at this time that it will be unnecessary to change the amount of money required for the year 1947, and therefore recommends the following resolution:

Resolved, That the Commission on Rectors' Salaries be authorized to assess for the work of this Commission for the year 1947 a sum not to exceed $10,000, and if possible to reduce the figure to $8,000.

Respectfully submitted,

James M. Niblo,
Chairman.

APPENDIX L

Report of the Cathedral Chapter

The regular Sunday Services have been maintained throughout the year, the Holy Eucharist at 9 o'clock, Morning Prayer and Address at 11 o'clock conducted by one of the Lay Canons, with Evening Prayer and Sermon at 4 in the afternoon. Now that the war is over, it is hoped that this latter Service will be taken each Sunday by Clergy of the Diocese, who will bring to the Cathedral their Parish Choir and members of their congregation. A Church School for younger children is conducted by Deaconess Newbold.

It is a great satisfaction to report that one of the two mortgages on the Cathedral grounds has been satisfied through the generosity of the heirs of the Sallie Houston Estate. This leaves but one mortgage to be dealt with and a plan is being evolved to make possible the satisfaction of this mortgage.

The Church property at Broad and South Streets, formerly the Pro-Cathedral of St. Mary, has been sold for $70,000, final settlement to be made shortly. This consisted of the former Church of the Ascension made over to the Cathedral Chapter of the Diocese many years ago, and other property purchased with the Watson bequest, all of which was to form a part of the Cathedral property of the Diocese. The net proceeds of the sale will be used either to add to the endowment of the Cathedral or to further expand the building thereof. This, along with other funds available, will enable the Chapter to enlarge the present building by several bays as soon as construction is permissible.

The Cathedral needs several auxiliary buildings, as well as enlargement of the structure itself, in order to be an effective part of Diocesan life. There should be a large building connected with the Cathedral to care for sacristies, choir, meetings of various sorts. Soon there will be need of a resident Clergyman for whom a house must be provided. The Cathedral offers opportunity of providing for all these needs as memorial or thankofferings for the peace.

Respectfully submitted,

James M. Niblo,
Registrar.

Report of the Forward in Service Commission

The "Plan of Action for 1945-1946" was "The Christian Fellowship" with special emphasis on "The Missionary Imperative Today."

The Chairman of the Diocesan Commission attended a Conference in Richmond, Virginia, in January, 1945, when the "Plan of Action" was formulated and discussed by leaders of Forward in Service Commissions, representing Dioceses from Maine to South Florida.

The Annual Clergy Conference of this Diocese was held at the Episcopal Academy on the morning and afternoon of Wednesday, June 10, 1945. Those attending were the guests of Bishop Hart at lunch. The speakers included the Rev. Frank Dean Gifford, D.D., then Rector of St. Thomas' Church, Mamaroneck, New York, and now Dean of the Philadelphia Divinity School; Samuel S. Schmidt, Chairman of the Department of Promotion of the Diocese of Harrisburg, and George E. Heerwagen, of New York City.

The same evening these speakers presented "The Plan of Action" to about two hundred men and women, representing various Parishes and Missions, at a meeting in the Parish House of the Church of the Holy Trinity. Bishop Hart made the final address.

Further to publicize "The Plan of Action" the Chairman of the Commission spoke at the Spring Meetings of the Convocations and sought to secure wide-spread interest in developing a spirit of Christian fellowship and missionary zeal.

The Commission joined with the Brotherhood of St. Andrew to promote attendance at the Washington Birthday Corporate Communion and cooperated with the Woman's Auxiliary program throughout the year.

As the program of Forward in Service now includes the supervision and direction of Quiet Days and Retreats, the Commission cooperated with various Diocesan agencies to lay emphasis on "personal religion." The Chairman conducted the Spring Retreat of the Woman's Auxiliary at St. Margaret's

House in June and directed a series of "Meditations" in other Parishes.

The Annual Clergy Retreat was held at Holiday House, Sellersville, from September 17th to 20th, inclusive, by courtesy of the Rector and Vestry of the Church of the Holy Trinity. The Conductor was the Rev. S. Tagart Steele, Jr., Rector of St. Luke's Church, Germantown.

Because of the sessions of General Convention in September of this year plans are being made to hold a Clergy Retreat at Holiday House in June, with a possible additional Retreat in the late autumn.

The great need is a Retreat House, which could also be a Diocesan Center. The Diocese of Virginia has an estate on the James River, near Richmond. It is heavily endowed and has proved of tremendous value to the entire Diocese for Conferences and other gatherings. In our own Diocese the spiritual life of clergy and laity could be deepened and enriched if there were a definite place where Quiet Days and Retreats could be held during the entire year.

Although the national work of Forward in Service may be curtailed by action of General Convention, Bishop Hart has asked the local Commission to continue. The Commission still has an office in the Church House where devotional literature and suggestions for Parish work may be obtained.

Perhaps it is trite to say that the world stands at the cross-roads. However, it is imperative that we, as Christians, walk the Way of the Cross, otherwise we have little to offer a confused humanity. Above the clamor of the day Jesus is calling us to establish that Divine Brotherhood for which He lived and died. Are we willing to hear His call and, hearing, to respond?

To carry on the work of the Commission we ask an appropriation—somewhat less than the one granted last year. We, therefore, offer the following Resolution:

BE IT RESOLVED, That the Convention appropriate from the Convention-Diocesan Expense Fund the sum of $500.00 for the work of the Forward in Service Commission, which also includes the work of the Diocesan Retreat Association.

Respectfully submitted,

J. JARDEN GUENTHER,

Chairman.

APPENDIX N

Report of the Committee on Incorporation

The Committee on Incorporation will recommend for approval by the Convention the following amendments to the model form of Articles of Incorporation:

(1) Amend Article 7, Section 2, so as to provide that the Rector shall be "president of the corporation" as well as "ex-officio president of the Vestry."

The model Articles now provide that the Rector shall be ex-officio president of the Vestry. The Nonprofit Corporation Law requires that every nonprofit corporation shall have a president. Recently, the Department of State declined to record certain documents presented for that purpose by a parish because they were signed by the Rector and neither the Articles nor the By-Laws designated him as president of the corporation. The change is recommended, therefore, in order to comply with the technical requirements of the Nonprofit Corporation Law.

(2) Amend Article 7, Section 5, line 11, by striking out the word "thirty" and inserting in lieu thereof the word "fourteen."

The model form of Articles now requires a lapse of thirty days between a meeting at which an amendment to the Articles is proposed and meeting at which final action thereon is taken. Several parishes have complained that this proves inconvenient in instances where the earlier meeting occurs in February in which event less than thirty days elapses where the successive meetings are a calendar month apart. The Committee recommends, therefore, that the waiting period be reduced to fourteen days.

(3) Amend Article 9, Section 2, so that the restriction set forth therein applies to "any real property of the corporation held for use for religious worship, or for a rectory, parish house or school."

As this section now reads, the restriction applies to "the church edifice, rectory or parish house." The change is recommended in order to bring this phraseology in line with the

related provisions of Canon XII, Section II. The existing variation has caused confusion.

(4) Strike out Article 10, Section 1, in its entirety and substitute in lieu thereof the following:

No amendment to these Articles shall be effective unless approved by such authorities of the Protestant Episcopal Church in the Diocese of Pennsylvania as are required by the Canons of the Diocese.

Experience during the past year indicates the advisability of this amendment. It is the opinion of the Committee that it is unnecessary and unwise to incorporate in the Articles a repetition of the procedure for amendment provided by the Nonprofit Corporation Law which itself may be changed from time to time. The Committee recommends this change in the belief that the purpose of the Canons is better served by the proposed amendment, which will call attention to counsel and to the Court that an amendment to any existing charter must have the prior approval of such Diocesan authorities as are required by the Canons.

APPENDIX O

Report of the Committee on Canons to the Convention of 1946

No proposals to amend the Constitution or Canons were received in time for printing and circulating before the Convention.

Mr. Edward S. Morris, on behalf of himself and others, has submitted the following:

RESOLVED, That Section I of Canon IV be amended by adding thereto a paragraph to be known as Paragraph 4 and providing as follows:

"No person, clergyman or layman, shall be eligible for election to the Standing Committee, or shall be eligible for the filling of any vacancy that may exist thereon, until the termination of one calendar year from the date of the expiration of his last preceding term."

The question whether the principle of rotation in office should be applied to the members of the Standing Committee is one of policy upon which the Convention does not need the opinion of the Committee on Canons and the Committee therefore submits it without recommendation for or against. But the Committee does take it upon itself to say that it believes the extension of ineligibility to the matter of the election, by the Committee, to fill a vacancy between Conventions, of a man who had not been elected by the Convention immediately preceding because of having served five years, would prove embarrassing to the Standing Committee and to persons whom they might elect to fill vacancies. For example, if the Rev. A. B. had gone off the Committee at the last election, and a vacancy occurred during the interim, if the Committee could not elect A. B. to fill it, and so had to elect one B. C., it might quite likely happen that when the Convention met, A. B. would be nominated for another term and might very likely be elected, causing B. C. to be dropped. On the other hand, as the proposers acknowledge that there is no objection to A. B. being re-elected after a year, why should not the

Committee be free to elect him to fill a vacancy until the meeting of the Convention, which would then decide whether or not to elect him for a new term? To compel the Committee to offer some other man the dubious honor of coming into their body only, perhaps, or probably, to be eased out at the coming Convention seems to the Committee on Canons not worthwhile, and it is hoped that the proposers will agree to amend their proposal by eliminating that part of it.

Mr. Spencer Ervin, because of some incidents that have come to his attention, has proposed to

"Amend Canon XVI by adding a new Section, to be known as Section IV, and to read as follows:

"Whenever any clergyman of the Church in this diocese, or any official of an organization described in Section II above shall receive, in any way, property of any kind of the value of one thousand dollars or more, the principal or income of which is to be expended in his sole discretion under circumstances which indicate an intention to assist the work of the Church, he shall, within thirty days of the receipt of such property, report the receipt, together with all relevant circumstances to the Bishop, who shall thereupon lay the facts before the Chancellor for his advice as to whether the circumstances constitute the recipient a trustee. If the Chancellor advises that they do, recipient shall give to the Bishop, within thirty days after the end of each calendar year, an accounting showing how the property has been used, dispensed, or invested during the year. All property heretofore received and presently held, to which this canon is applicable, shall be reported to the Bishop within thirty days after the adoption of this canon."

The Committee on Canons recommends the adoption of this amendment, but would not have done so had not the proposer graciously agreed to make certain changes in his original proposal which we believe will prevent it from being needlessly annoying or hampering to any, and may afford real protection to persons, especially Clergymen, receiving substantial sums of money to use, at their discretion, in their work. The limitation to $1,000 or over will prevent its applying to the great majority of such gifts that Clergymen receive, and the intention is that it shall cover only cases where the recipient has

practically unlimited discretion as to how he shall use the money in his work and would otherwise not be under obligation to consult anyone or report to anyone. Such "carte blanche" gifts are dangerous for the spender because, in case of criticism, he may be defenseless, although having acted in good faith. By following the procedure laid down in this proposed amendment he could obtain helpful advice as to what he should or should not do, and in following which he would be completely protected. It is not the belief of the Committee that this provision would apply to gifts for the purchase of specifically named objects, where the only discretion is one of choice and price to be paid, and is a discretion reposed in the recipient by the donor and not subject to review.

APPENDIX P

Report of the Diocesan War Commission 1941-1945

Shortly after December 7, 1941, following a Resolution adopted by the Executive Council, the late Bishop of the Diocese, the Rt. Rev. Francis M. Taitt, S.T.D., appointed the Diocesan War Commission, the members of which met for organization purposes at the call of the Bishop in the Church House on Thursday, December 18, 1941. The Rev. Charles Martin, having been appointed by the Bishop as Chairman, presided. The Rev. Frederick W. Blatz was appointed Secretary. The purpose of the Commission was to assist the Church in meeting the opportunities and problems created by the war.

To achieve its end most effectively, the Commission, at first, was divided into five Committees, as follows:

Ministry to Civilian Defense:
The Rev. Dr. E. Frank Salmon, Chairman
Ministry to Our Armed Forces:
The Rev. Edmund B. Wood, Chairman
Ministry to the Defense Population:
The Rev. E. Felix Kloman, Chairman
Ministry to Our Own: The Rev. Harvey D. Butterfield, Chairman
Army and Navy Chaplains' Fund:
Mr. William H. DuBarry, Chairman

The Committee on Civilian Defense at once put the resources of the Church—its buildings, institutions, and manpower—at the disposal of the proper authorities. The Committee on Our Armed Forces, knowing the vital importance of keeping the Church with the men in the Services, sought to ally itself with the American Red Cross and the United Service Organization. Thus the men who entered the Armed Services were commended to their Chaplains and received Prayer Books and War Crosses as well as a letter from the Bishop. Through the Girls' Friendly Society and the Woman's Auxiliary, entertainment and refreshments were furnished to the troops stationed in the city. Assistance also was given the Chaplain at the Navy Yard and others as it was desired. Philadelphia was

preeminently a defense industry center. The Defense Population Committee made a complete survey of the needs of the area and presented the results to the Deans of the several Convocations in the Diocese with recommendations. Realizing the exigencies of the time the Committee on Our Own sought to aid the Clergy in ministering more effectively to their people. A book of wartime prayers was issued and suggestions made as to carrying on the ordinary work of the Church in these extraordinary times. The Committee on Army and Navy Funds began to seek the money necessary to the execution of the plans of the National Army and Navy Commission under Bishop Sherrill of Massachusetts.

During 1942 the War Commission appointed a special Committee to prepare a careful study of the needs of the Commission and means by which they could be achieved. This Committee recommended a reorganization of the Commission. Bishop Taitt, therefore, appointed in January, 1943, Bishop Hart, Chairman of the new Commission, the members of which were the following: Lewis N. Lukens, Jr., Executive Vice-Chairman; Thomas B. K. Ringe, Esq., Vice-Chairman; Frederick R. Drayton, Vice-Chairman; Rev. E. Felix Kloman, Secretary; Sanford D. Beecher, Esq., Controller; Mrs. James T. Davis, Mrs. P. Blair Lee, Rev. Edmund B. Wood, and the Rev. John Craig Roak, Executive Director.

A complete survey of all Service Centers operating for men in the Armed Forces was made by the Commission in preparation for the establishment of a Diocesan Center in the city of Philadelphia. Out of this, with the wholehearted support of the Diocese, came St. Stephen's Service Center established in the Community House of St. Stephen's Parish, 10th Street below Market. Through the gracious cooperation of the Rector, Church Wardens and Vestry of St. Stephen's Church, the Commission prepared to open this Club immediately. After complete renovation the Club was opened on April 14th. Too much commendation cannot be given Mrs. P. Blair Lee, Chairman of the Center's Board of Managers, and Mrs. James T. Davis, the Treasurer, for their constant and untiring efforts in the Center's continued success from its inception. The Club, throughout the war, remained open from 3 P. M. to midnight every day and was managed by representatives of

Diocesan Organizations among which were the Woman's Auxiliary, the Churchman's Club, and the Girls' Friendly Society. One of the notable facts of the Center's existence was the unified effort of the Diocese in its maintenance and operation. The service it rendered can well be a source of unceasing pride to the entire Diocese of Pennsylvania and the whole Church.

The Commission also made an exhaustive survey of all Federal Housing Projects completed in the Diocese, in order that a strategy might be designed whereby the Church might extend bases of operation among the large industrial population moving into these newly designed communities.

On March 9, at the Bellevue-Stratford Hotel, a Campaign Dinner was held in cooperation with the Army and Navy Commission of the National Church to appeal to the Parishes of the Diocese for the support of the work the Church was doing among our Service Men and Chaplains. Over 200 Clergymen represented 102 Parishes and heard the Rt. Rev. Henry Knox Sherrill, D.D., Chairman of the National Commission, explain what was being done to provide pension premiums, discretionary funds, service books, and portable altars to the Chaplains and communications with communicants in camps. On March 28th the appeal was made to the Parishes. From the collections 60% of the sum contributed went to the National Commission and 40% to the Diocesan Commission.

Activities similar to St. Stephen's Service Center were conducted in various Parishes throughout the Diocese, of course, however, on the Parish level—at Trinity Church, West Chester, at St. Peter's, Phoenixville, and at Gloria Dei, Philadelphia. A corps of laymen at the Church of the Holy Trinity and Gloria Dei brought over 1,000 men to their respective Parishes to services each Sunday.

The Commission appointed a Committee composed of Canon Earp, Chairman; the Rev. Edmund B. Wood, and the Rev. Wm. Alfred Price to prepare a manual to be used by the Clergy for special services, the need for which the war created. This eventuated in the popular manual, "Services and Prayers."

Under the direction of Miss Emma E. Brehm, volunteer Secretary in the office of the War Commission, who throughout the entire period of the war, and after, gave unstintingly of her services, and to whom much of the success of the Commission was due up to this time, card indexed 4,924 names of men and women from Parishes; saw to the distribution, to this date, of 5,413 War Crosses and 3,361 Army and Navy Prayer Books. At Christmas, 1942, 4,028 Christmas letters were forwarded from the Commission office to men and women in the Services from Bishop Taitt and Bishop Hart.

In 1944, Bishop Hart continued as Chairman of the Commission; the Rev. Frederick W. Blatz, Executive Vice-Chairman; Mr. Lewis N. Lukens, Jr., First Vice-Chairman; the Rev. William N. Lanigan, Secretary, and Mr. James R. Hughes, Treasurer. The other members were the following: The Rev. William P. S. Lander, the Rev. John Craig Roak, the Rev. Stanley V. Wilcox, the Rev. Edmund B. Wood, Mr. Edward E. Chandlee, Mrs. James T. Davis, Mr. Frederick R. Drayton, Mrs. P. Blair Lee, Mr. Thomas B. K. Ringe, and Mrs. C. William Spiess.

In 1944-45 the Commission sensed the ever-widening opportunity of the Church at large, as well as in the Diocese, to express more fully the reality of the Church as the Body of Christ in the world. During 1944 the Rev. John Craig Roak resigned as the Diocesan Director of the Commission and was succeeded by the Rev. Thomas A. Meryweather who carried on in that status until the press of other duties made it necessary for him to resign. By this time the work of the Commission had developed so that it could be divided into three orientations:

1. *The Support of the National Army and Navy Commission.* This was largely represented by the sum of $26,562.42 forwarded to the National Army and Navy Commission in 1944 for the Diocese.

2. *The Diocese of Pennsylvania.* The office maintained in the Church House under the direction of Miss Emma E. Brehm and her volunteer assistants. Here was a center of information and advice for the clergy and parishes. Here was a central file of Diocesan Service Personnel. War Crosses and Prayer Books continued to be supplied, the Bishop's messages to the Armed Services distributed at Christmas and Easter, and a supply of literature and Service forms kept on hand and furnished on request. Through this office the Bishop and the Commission kept intact their liaison with Priests of the Diocese, of whom there were at the time 22, serving as Chaplains in all branches of the Service.

Another phase of the Commission's work in the Diocese continued to be St. Stephen's Service Center. Here was maintained a center of fellowship in which some 1,500 volunteers from every part of the Diocese rendered service to more than 62,000 guests in little more than two years of existence. Much, if not all, of the success of St. Stephen's was due, as has been mentioned above, to the untiring efforts of Mrs. P. Blair Lee, Mrs. James T. Davis, Mrs. C. William Spiess, and Mrs. Mary Van Hook, the Directress, and Mrs. Humphrey Nelson, the latter's successor. Mention should be made, too, of the Priests of the Diocese who gave their time as Chaplains at the Center.

3. *The Parishes.* The Commission endeavored at all times to render any service within its power to the Clergy, Parishes, and Missions. Centers for the entertainment of Service personnel continued to be maintained at Holy Trinity, West Chester, and at Our Saviour, Jenkintown, in which the Commission continued an abiding interest.

The Commission at this time also began a study of the placement of returning Chaplains in case that should fall within its province.

With the cessation of hostilities in all theatres of operations, came the dissolution of the National Army and Navy Commission and the assumption of that work by the Presiding Bishop and the National Council. In view of this fact Bishop Hart announced the dissolution of the Diocesan War Commission as of October 8, 1945. Miss Brehm graciously agreed to continue her work until the affairs of the Commission were concluded, and the work at St. Stephen's was transferred by the Commission to the Center's Board of Managers. The Diocesan Department of Christian Social Relations was notified of the Commission's dissolution and was asked to assume responsibility for that part of the Commission's work now properly within that Department's scope, namely, the problems of, and aid to, returning Service Personnel. All funds in the hands of the Treasurer of the War Commission, not already committed or alloted for any purpose, were transferred to the Board of St. Stephen's Service Center so that that work might continue through the current year, with the recommendation that the said Board make available sufficient funds to the Department of Christian Social Relations to enable it to adequately assume the work requested of it by the Commission. All documents and records pertaining to the Commission's work were then assigned to the Registrar of the Diocese and the work of the Commission was completed.

Comment should be made of the splendid work of Mr. Lewis N. Lukens, Jr., Executive Vice-Chairman of the Commission, and too, of that of the Treasurer, Mr. James R. Hughes, as well as of the two gentlemen who assumed in 1944 and 1945 respectively the Chairmanship of the Annual Campaigns, Messrs. James R. Hughes and David E. Williams. The Treasurer's report for the life of the Commission is attached herewith.

There only remains mention of Bishop Hart's magnificent leadership without which the Commission and the Diocese never could have achieved what results were accomplished. What the Commission really accomplished cannot be even estimated at the moment. It did its best in the recognition of the impact of the war upon Christians everywhere and it tried its utmost to serve and minister effectively to all those whose circumstances called for unusual means and methods. Some measure of its success will be found in the Church's acceptance of the challenge of the future.

Respectfully submitted,

WILLIAM N. LANIGAN,
Secretary.

APPENDIX Q

Report of the Committee on Church Unity

The Church is of vital importance to the world and to the future of mankind. It has a message of truth which is of concern for all humanity. It is the Church's responsibility both to preserve and to proclaim that truth.

The strength of the Church depends largely on the strength of conviction in the hearts and minds of the individual members of the Church. Yet we recognize that the convictions of individual Christians differ, not only in matters of lesser importance, but also in matters that are of fundamental concern. It is both undesirable and impossible for those who hold these differing convictions to give them up as long as they remain conscientious convictions.

So, under present conditions, the ideal of unity for which our Lord prayed in His High Priestly prayer does not seem to be attainable, but it is Christ's ideal for His Church, and for that ideal every Christian must strive and pray and work. With this in mind your Committee urge the following practical resolutions:

WHEREAS the organic unity of the Christian Church, incorporating all Christendom, is the ideal set for us by our Lord Himself, therefore be it

RESOLVED that this Diocesan Convention recommend:

1. That all be urged to do what lies within their power to encourage the spirit of friendliness and goodwill towards all fellow-Christians of whatever faith;

2. That every Christian be urged to pray earnestly, in private prayer and in public worship, for the unity of the whole Church of Christ;

3. That the Episcopal Church welcome every opportunity for practical cooperation with other Christian bodies for the welfare of mankind in every way that does not involve compromise of principle;

4. That the Episcopal Church join with other Churches who accept Jesus Christ as God and Saviour, in a world-wide witness to those beliefs which we hold in common, as a manifestation to the world of such unity as we now possess;

5. That the members of the Church, both clergy and laity, keep themselves informed of the activities of the World Council of Churches and of the progress of the Ecumenical Movement within the Church, by organizing study groups for this purpose.

Be it further RESOLVED that this Diocese place itself on record as endorsing the World Council of Churches.

And finally be it RESOLVED that this Diocesan Convention memorialize General Convention of these resolutions, and urge that General Convention take appropriate action along the same or similar lines.

Respectfully submitted,

1943	$21,391.46
1944	$22,449.75
1945	$13,077.33

The gross *income* of the Endowment Fund for 1945 was $5,411.24; the administration charge by the Church Foundation, the Trustee, $460.24; and the net amount paid to the Diocese in 1945, $4,951.00.

Early in 1945 a room in the Church House was assigned for use as headquarters for the work of the Committee for the Enlargement of this Fund, which Committee is appointed by the Bishop, annually; a paid Secretary was employed, a plan for increasing the Fund to a total of $1,500,000 adopted, and the work organized on a practical basis. A fund to pay the estimated cost of promotion, including overhead for a period of two years, has been provided. Spencer Ervin is Treasurer (voluntary) of the Committee. Miss Frances Sappington is Secretary.

Shortly after organizing for it, the active solicitation of funds was suspended to clear the way for the campaign for the Reconstruction Fund. That having been successfully accomplished, the Committee for the Enlargement of the Endowment Fund will resume its activities. During the interim the Secretary for the Endowment Fund acted as Secretary for the Reconstruction Fund.

Contributions for the current year to May 1st have amounted to $1,885.00.

CLARENCE M. BROWN,
Chairman.

Address of Dr. Thomas S. Gates

Report to Diocesan Convention

It was a little over a year ago that word was received from the Presiding Bishop that because of the war it would be necessary to withdraw the invitation which the Diocese of California had extended to the General Convention of the Protestant Episcopal Church.

The Presiding Bishop turned to Bishop Hart with a request that the Diocese of Pennsylvania consider inviting the Convention and Woman's Auxiliary Triennial to meet in Philadelphia in 1946. The Bishop put the matter before the Standing Committee and after due consideration the invitation was to be given provided the Diocesan Convention approved. The war was still on last May and the hotel and transportation situation was far from bright to bring a General Convention to our city. But you gentlemen authorized the Bishop to present an invitation to the Presiding Bishop for the 55th General Convention to meet in Philadelphia in September, 1946. In order to secure full cooperation with the hotels the time was fixed for the General Convention to meet September 10th to 20th.

Bishop Hart requested me to be General Chairman and Mr. William DuBarry and Mr. Thomas Hart to be Vice-Chairmen. The Chairman was conscious of the task of organizing an adequate committee to prepare for the entertainment of the General Convention and in consultation with Bishop Hart preliminary work was started early last Fall. The University of Pennsylvania graciously placed their buildings and campus at the disposal of the Bishop. It was decided to use the Irvine Auditorium for the House of Deputies, the Houston Hall for the House of Bishops, and University Museum for the Woman's Auxiliary.

From this point it became necessary to organize committees such as Meeting Places, Registration, Hospitality, Supplies and

Equipment, Hotels and Housing, Ushers, Pages, Publicity, Printing, Transportation, Music, Historical Places and Institutions, Religious Services and Assignment of Speakers. This was done with all due promptness and we found a ready response from those who were asked to serve. As a result a large group are eagerly at work in order to cover all of the different fields involved.

Mrs. Packard, President of the Woman's Auxiliary of the Diocese organized a committee of women who work in cooperation with the men's committees. Many committees are broken down into sub-committees in order to do more intensive work. On the combined committees there are more than two hundred volunteers.

It will be necessary to use the Convention Hall for two or three large meetings such as the opening session, the Thankoffering and perhaps one other large meeting, and the city has given free use of the building—with only a slight expense to us for cleaning and moving equipment. The Chamber of Commerce and the Hotels Association have cooperated with us in every way that seemed possible and to them we are grateful.

One of the major problems has been the limited number of rooms the hotels would reserve. Mr. C. Jared Ingersoll's splendid committee on hospitality is meeting this problem by asking the lay and clerical members of the Diocese to place rooms at the disposal of the coming visitors to our city. These deputies are coming from many parts of the world and they have heard of the City of Brotherly Love. Let us therefore do everything in our power to make them feel our welcome is true and sincere. The Bishops and the clergy are curtailing their vacations in order to have everything ready and to be at home when our guests arrive. We, the laity, will do our share and we want the Bishop and the Diocesan Convention to know that we are working in your name. We know the great benefit that will come to our Church in this Diocese because of the meeting of the General Convention but let us not lose sight of the fact that we want the members of General Convention to catch the inspiration of a great Diocese as they see the devotion and loyalty of the churchmen of our city.

During the coming months there is much work to be done and if a Chairman of any committee needs your help, give it freely.

I have not mentioned the matter of money. The present workers are all volunteers. We are keeping down expenses to a minimum. Each committee has been asked to present a budget of its expenses and Mr. Drayton will pay no bills until they are approved by the Rev. Mr. Long. The General Convention makes no provision for the expenses of its entertainment that is borne by the Diocese which acts as host. It may cost the Diocese of Pennsylvania between fifteen and twenty thousand dollars. The committee on preparation for this 55th General Convention decided not to ask the Parishes to raise this money but the General Chairman would send a general letter to men and women in the Diocese asking them to share in giving to this fund. Contributions from five dollars up have been received making a total of over eleven thousand dollars now in hand. It is my hope that the expenses will be met by many gifts rather than by having the budget underwritten by a few. If any member of this Convention has not sent in his gift I hope he will do so at once.

The first General Convention of our Church met at Christ Church under the leadership of Bishop White. In those colonial days after the Revolution the Church and the University of Pennsylvania worked hand in hand in laying foundations which have given strength to our nation. And now the University of Pennsylvania, which owes so much to the men of our Church, gives the use of its buildings and equipment in order that it may have a share with the Church in rebuilding a new world and extending the Kingdom of God.

APPENDIX W

Report of Committee on Relation of Institutions to the Diocese

When the Bishop appointed the undersigned Committee, it was his desire that a new approach should be made to a matter which has occupied the attention of Diocesan Convention for some years. It was hoped that time might be given to visit each of the Institutions which have any relation to the Episcopal Church, meet with members of their controlling Boards and become acquainted with the workers, inmates, or students.

Nearly all these Institutions were started by former Bishops of the Episcopal Church and in the early days their support came wholly or in part from the members of our Church; however, as they grew and there came into existence a Community Chest Fund, many of them ceased to call specifically upon the members of the Episcopal Church for support. Thus, the relationship of the Church is now in many cases rather tenuous and some Boards have become independent of any direct control.

It is hardly likely that any passage of canons by this Diocesan Convention would be effective in remedying this situation, since many of them have their own independent Corporation papers and Charters and the Bishop only acts as honorary member of the Boards.

Bishop Hart will keep in touch with our three largest Institutions—the Philadelphia Divinity School, Episcopal Academy, and Episcopal Hospital. The others were left to this Committee with the Suffragan Bishop as Chairman.

We hope to make a new approach towards some twenty-six Institutions connected with the Diocese to the end that we might extend to them our aid whenever needed by way of counsel or advice or financial support. It is also felt that the

Diocese itself will be greatly stimulated when their work is better known by our entire membership. To this end, we intend to give them much wider publicity than heretofore, through a series of articles in the Diocesan paper, *The Church News.*

Our first step was to get a correct list of all our Institutions claiming some connection with the Episcopal Church together with a list of their Board of Managers and Trustees and Charters or Incorporation papers. We also asked for their Annual Reports and that information is now in the hands of this Committee.

The next thing to do was to visit the Institutions as quickly as possible and attend as many Board meetings as could be arranged, acting as Deputy for the Bishop of Pennsylvania. This your Chairman has done and during the period for which we are reporting, thirteen of the twenty-six Institutions have been visited and the Board meetings have been attended of the Church Mission of Help, Sheltering Arms, St. Martha's House, and Angora Church Home for Children. On May 2, the officers of the Protestant Episcopal City Mission gave a reception to the Bishops and their wives to which were invited the members of all the various Board of all our Institutions in the Diocese. In this way we are hoping to make friendly contact and thus re-establish closer relations between the Diocese and its Institutions. Everywhere we have gone, we have been welcomed.

Of course, the Convention will realize that this approach will take some time and therefore we ask the continuation of the Committee to carry on the work initiated. With reference to it, the head of our Protestant Episcopal City Mission, Dr. James M. Collins, wrote recently: "Everything possible must be done in a wise and conciliatory way to strengthen the bonds between the Institutions and the Diocese. We have in our Diocese one of the most extensive groups of Institutions in the whole American Church, with the possible exception of the Diocese of New York. Up to this time, they have been carrying on their work as more or less independent units. The value and effectiveness of that work will be greatly increased

by a closer, more understanding relationship with the Church in the Diocese."

Respectfully submitted,

Chairman

APPENDIX X

Report of Committee on an Amendment to the Recommended Form of Charter for Churches

To the Convention of the Diocese of Pennsylvania.

Gentlemen:

The *Journal* of the Convention of 1945 contains on page 36 the following:

"The Rev. Mr. Pugh presented the substitute Resolution, which was adopted:

"RESOLVED, That in the Approved Form of Charter in Article 8, Section 1, in the fifth and sixth lines thereof the words 'and with the Protestant Episcopal Church in the Diocese of Pennsylvania' be omitted.

"RESOLVED, That this Resolution be referred to a Committee for study and report to the Convention of 1946.

"The following Committee was appointed by the Bishop:

Rev. Roderic Pierce, Convener
Rev. William H. Dunphy
Mr. A. T. Bratton
Dr. George M. Coates
Dr. George B. Hawkes."

The Committee held a meeting at the Church House on November 29, 1945, and elected the Rev. Roderic Pierce as Chairman.

After careful consideration the Committee respectfully reports.

The Protestant Episcopal Church in the State of Pennsylvania was organized on the 24th day of May, 1784. It partipicated in the organization of the General Convention to which it delegated certain powers. Its constitution and canons as well as the constitution and canons of the General Convention, legally enacted, are binding upon the clergy of the Diocese.

Every presbyter of the Protestant Episcopal Church in good

standing, that is every presbyter with "the Normal Standard of Learning" who is not under sentence of suspension, deposition or degradation from the Ministry or under charges that might lead to such sentence, is eligible for election as a Rector or Assistant Minister.

General Canon 46 "Of the Filling of Vacant Cures" provides in Sections 2 and 3 as follows:

"SEC. 2. No election of a Rector shall be had until the name of the Clergyman whom it is proposed to elect has been made known to the Bishop, if there be one, and sufficient time, not exceeding thirty days, has been given him to communicate with the Vestry thereon.

"SEC. 3. Written notice of the election, signed by the Churchwardens shall be sent to the Ecclesiastical Authority of the Diocese. If the Ecclesiastical Authority be satisfied that the person so chosen is a duly qualified Minister and that he has accepted the office, the notice shall be sent to the Secretary of the Convention, who shall record it. And such record shall be sufficient evidence of the relation between the Minister and the Parish."

Section 2 is for the protection of the Parish. It gives the Bishop sufficient time in which to ascertain the facts in regard to the nominee, and to communicate the facts and the Bishop's views thereon to the Vestry. After such a communication has been received, or if none has been received, then thirty days after the notice has been given to the Bishop, the Vestry may proceed to the election. The right of a self-governing Parish to elect a duly qualified Minister of its own choice as its Rector is a propery right which no canon can take away.

The Form of Charter in Article 2 refers to the Faith and Discipline of the Protestant Episcopal Church in the Diocese of Pennsylvania. In Article 3, it refers to the Constitution and Canons of the Protestant Episcopal Church in the Diocese of Pennsylvania.

Article 6, Section 2, refers to the Constitution, Canons, Doctrines, Discipline or Worship of the Protestant Episcopal Church in the Diocese of Pennsylvania.

It would be strange and not in conformity with the rest of the charter to strike out of Article 8 the provision that a Rector or Assistant Minister shall be in good standing with the Protestant Episcopal Church in the Diocese of Pennsylvania.

Your Committee therefore recommends the adoption of the following Resolution:

RESOLVED, That the words "and with the Protestant Episcopal Church in the Diocese of Pennsylvania" shall remain in Article 8, Section 1, of the Recommended Form of Charter for Churches.

Respectfully submitted,

RODERIC PIERCE, *Chairman.*
WILLIAM H. DUNPHY,
ALRED T. BRATTON,
GEORGE M. COATES,
GEORGE B. HAWKES,
Committee.

Report of the Committee on Parochial History

Upon receiving the resignation of the Rev. George W. Lamb, as Chairman of the Committee, Bishop Hart requested the Rev. J. Jarden Guenther to serve as Acting Chairman and to convene a meeting of the Committee.

The meeting was held in the Registrar's Office in the Church House on February 11, 1946. Mr. George Wharton Pepper, Jr., resigned as a member and Mr. Spencer Ervin was nominated to succeed him.

The Committee made plans for securing additional material of historical value and recommended that some changes be made in the matter of filing. It was also suggested that a Card Index be made of Parishes, Missions and of clerical biographies.

J. JARDEN GUENTHER,
Acting Chairman.
